FOOTNOTES:

[1] *Please note that the filing of amended returns can cause revisions in previously published statistics.*

[2] *"Fantasy contest adjusted revenue" is the amount equal to the total entry fees collected from all participants entering a fantasy contest less prizes/awards paid to the participants in the contest, multiplied by the resident percentage. Fantasy contest adjusted revenue should be calculated for each fantasy contest offered by a fantasy contest operator to Pennsylvania consumers during the reporting period. The "resident percentage" is the percentage, rounded to the nearest tenth of a percent (0.1%), of the total entry fees collected from Pennsylvania consumers divided by the total entry fees collected from all players, regardless of the players' locations. The resident percentage is calculated for each fantasy contest offered by a fantasy contest operator and used to compute adjusted revenues for the fantasy contest.*

[3] *The state tax on total Fantasy Contest Fees Collected is 15%*

[4] *Includes revenue for Seasonal Fantasy Contests which have not yet been completed.*
