<i>Miscellaneous Information</i> <b>On December 17, 2021, Akbar entered the gaming floor of a casino located in King Of Prussia, holding a two-year-old child and was immediately stopped. Casino staff told him to leave the floor immediately. He then left the building with the child and went back to his car. Akbar moved his car to a different parking spot and went back to the building's entrance, leaving the child unattended. Casino staff then refused to allow him to enter the gaming floor, and security followed him as he returned to the car. Akbar used profanity towards security staff who followed him. The child had been left unattended for approximately two minutes and eight seconds.</b>
