

A CASINO IN OUR NEIGHBORHOOD?

Foxwoods casino wants to build a casino at Columbus Blvd and Reed Street.

Answer these questions and you decide.

DO YOU WANT?

Yes No

- A new I-95 ramp on Front Street?**
- over 70,000 cars a day on Columbus Blvd?**
- Your property value to go down?**
- Buses parking in your neighborhood?**
- More cars on Front and Second Streets?**
- More air pollution from buses and cars?**
- Increased crime in your community?**
- Your everyday quality of life to decline?**
- To raise your family near a casino?**

If you answered **NO** to any of these questions, visit our website, sign the petition and attend the public hearings.

NO CASINO on Reed and Columbus B

I am OPPOSED to a Casino on Reed and Columbu

Traffic: Columbus Boulevard is already congested with traffic. The current infrastructure of vehicles. The applicant estimates the traffic will peak over 80,000 vehicles per day. Foxwood Casino recommended adding additional access ramps to I95 from Front Street will disrupt the community channeling traffic into an 84% residential neighborhood.

Social Impact: Increased crime, trash and numerous social problems including addiction, neglect, will cost our neighborhoods, families, schools, children and institutions dearly to handle the damage this casino will cause.
