**RE: MARKET8 CASINO PHILADELPHIA  
TRAFFIC IMPACT STUDY REVIEW – 2ND SUBMISSION  
RESPONSE TO ORA COMMENTS**

Dear Mr. Kharva:

Enclosed, please find two (2) copies of the referenced Traffic Impact Study (TIS). Pennoni Associates Inc. (Pennoni) has addressed Orth Rodgers & Associates, Inc.'s (ORA) comments, dated October 28, 2013, to the 2nd submission of our MARKET8 TIS, dated September 2013. This TIS was submitted with Market East Associates, L.P.'s casino location application for the proposed MARKET8 casino and entertainment complex to be located in the Market East section of downtown Philadelphia.

Pennoni's responses to your review comments, made on behalf of the Pennsylvania Gaming Control Board (PaGCB), are included on the attached spreadsheet provided with ORA's aforementioned comments. All correspondence, calculations and data used for completion of the report are included in the report and technical appendices. We trust this revised TIS meets with ORA's, PAGCB's, PennDOT's and the City of Philadelphia's approval.

If you have any other questions or concerns, please do not hesitate to contact us.

Sincerely,

**PENNONI ASSOCIATES INC.**
