This letter is to show the support of The Lehman Township Board of Supervisors for The Bushkill Group to receive a Category 3 Slot Machine license.

The Bushkill Group is located in Middle Smithfield Township, which is adjacent to Lehman Township and located less than one mile from our border. What happens at The Bushkill Group has a direct impact on the citizens of Lehman Township.

This area of the Poconos is completely dependent upon tourism to support our economic well-being. In recent years, tourism has dropped dramatically, so much so that Pocmont, a major resort in Lehman Township has recently closed its doors causing a loss of jobs to the residents of Lehman and Middle Smithfield Townships. Due to the state of the local economy, this is becoming a depressed area with a very high rate of home foreclosures.

If The Bushkill Group is granted this Category 3 License, it would directly create 180 good-paying jobs. In addition, revenues of existing nearby businesses would increase and other businesses would be attracted to the area thereby creating many more indirect jobs. This would provide a much-needed boost to the economic conditions in Lehman Township.

Finally, being located so close to The Bushkill Group, we are aware of the management team and the manner in which they conduct their business. They have our vote of confidence that should they be granted this license, the business would be conducted in a professional manner that would only have a positive impact on the surrounding community. It should also be noted that the principals of The Bushkill Group have been members of this community for many years and have not come here recently just to take advantage of the new gaming opportunities.

I have owned time sharing and property in the Bushkill area for over 20 years and visit it often. I support Casino gaming in the area.

I am a long-time area resident and feel that Bushkill Group Inc. / Fernwood is the applicant most deserving of the remaining Category 3 license. They are a perfect fit for the license regulations and they are a company of integrity.

The area, which is in need of tax relief and new jobs, would benefit greatly from this license.

I am not in favor of supporting this Bushill casino for numerous reasons including the fact that the Poconos already has a casino 15 miles away. That is just obnoxious to think you would allow another casino within close proximity. That community has already reaped the benefits for jobs, growth and revenue. You should consider one that does not have a casino nearby and is a resort with more than 250 ROOMS available.

Please do not build more areas for gambling. There are enough in many areas of our country.

I oppose this facility at this location.

I oppose

Gambling, at whichever venue, is unjust for the following reasons, and is to be avoided especially as a means of engendering revenue for the state that would otherwise be received equitably through taxation of the base:

1. Gambling of any sort savages the poor by providing false hope of riches.
2. Gambling provides an easy opportunity for addicted individuals to feed their illness.
3. Gambling encourages and depends on greed, hardly a personal or civic virtue.
4. Crime and destitution are the historical results of gambling, especially if it is sanctioned by the government, providing legal cover and justification.
5. Gambling is a self-centered, not enjoyed for the `good` it provides to the community. Using the justification that the Lottery `benefits senior citizens`, or that casino gambling will create new jobs or help the economy, is false and disingenuous.
6. Gambling has, until recently, been understood to be a social ill and discouraged by Church and State alike.
7. There will be spiritual/social consequences for funding social `health` on the backs of the poor and needy. The broad witness of the Prophetic literature of the First Testament (`Old Testament`) condemns such social injustice.

Go somewhere else!

This area is a resort area and would welcome the gambling. They have room to accommodate at least 250 sleeping guests.

Casinos are not in the best interest of our citizens

It is my opinion not to mention common sense that the Bushkill casino should not be even a possibly because of the close proximity to another casino. Besides the known fact that Nemaquin Woodlands in Farmington has more amenities and rooms available than all of the 3 other hotels put together is a no brainer. Nemaquin is the only 5 star resort in the ballgame. You need to base your decision on who's the most qualified, period.

I am a Township Supervisor in Lehman Township, Pike County, which borders Middle Smithfield Township. I support the Bushkill Group's Category 3 License Application because:

1. It will bring much needed jobs to this area. Middle Smithfield and Lehman Township residents have the longest commutes in the United States according to the U.S. Census Bureau. This will help alleviate that for many of our residents.
2. The Bushkill Group is comprised of responsible people who have operated Fernwood Resorts for many years and we consider them to be very good neighbors. They did not just arrive here in the Poconos simply to take advantage of the new gaming legislation. They are long-term members of our community.
3. Tourism is the main industry in our section of the Poconos and it has been suffering in this area lately. Just recently, the only hotel in Lehman Township, Pocmont, has closed. This area absolutely needs this 'shot in the arm.'
4. Six years ago, Lehman Township purchased a 66-acre park, formally known as Magic Valley and has been working to revive this as a tourist destination by conducting a series of free summer concerts, fishing derbies, community days and a variety of other free or low-cost events. During these events, local non-profit organizations, including the local food bank, sell food at concession stands benefiting those in need in the local area. These events attract visitors to Fernwood and likewise Fernwood attracts visitors to our park, thereby increasing the revenue of the local non-profits who will then use this increased revenue to benefit lower income families in the area.

In conclusion, as a resident, taxpayer and a public official, I whole-heartedly support the Bushkill Group's Category 3 Gaming License Application.

Thank you.

Hello,

I am writing to provide evidence that The Fernwood Hotel is not a suitable location for a gaming parlor and basically to beg the Gaming Control Board to not award the gaming license to The Bushkill Group.

The Bushkill Group property is located on a roadway that is over 100 years old. Aside from paving, the roadway has seen little changes since receiving the 209 designation almost 100 years ago. The primary change has been the addition of about ten thousand families that rely on this road to get to jobs located outside of Pennsylvania.

(The only other change has been the Bushkill Group financed PennDOT remodeling of the 209/Winona Falls rd. intersection to they could bring in the Turkey Hill franchise. The whole bogus package was labeled as part of the Marshalls Creek Bypass to top it off.)

A 2007 study performed by Middle Smithfield Township declared that critical segments of that roadway were already failing. The following is a quote from that study:

'Route 209 Corridor: Transportation Conditions & Planning The transportation issue of greatest impact to the Township presently and for the foreseeable future, is the congestion and Level of Service deficiencies along the Route

8-3

COMPREHENSIVE PLAN UPDATE: 2007

Middle Smithfield Township - Monroe County, Pennsylvania 209 corridor. This corridor is of vital importance to the Township's ability to draw potential employment centers and other commercial development to the area. In 2000, the corridor carried between 15,000 and 23,000 vehicles a day on weekends and less than 13,000 a day during the week (CTLUMS study July 2001). Critical intersections along the route are either operating with deficiencies or at failing levels of service.'

I saw an article quoting a local resident who stated that the majority of the opposition to the Fernwood gaming license could not be at the meetings because they were at soup kitchens, and other charitable activities.

While there is probably some truth to that, the larger truth is that the majority of workers in this area sleep between 2-5 hours per day and spend anywhere from 90 minutes to 4 hours per day commuting to and from work.

I work in East Stroudsburg 16 miles from my employer and I have to allocate a minimum of 50 minutes for my commute to work to ensure that I will arrive on time due to tourist traffic. That is robbing me of priceless time with my family for a job that pays less than 30k per year. My wife works in New Jersey and spends a minimum of 17 hours per week commuting to a job that pays a much more livable wage even after health insurance costs have been deducted.

We move here because it seemed like a great place to raise a family but each year the area declines more and we want it to end. Three pawn shops/consignments have opened on rt. 209 within five miles of Fernwood already and a local business owner/township supervisor is trying to open a strip club on rt. 209 as well.

The families here deserve better. Most of us moved here to be in the heart of the national park, not in the heart of an adult entertainment district. One gaming location in the Poconos is enough.

We have little support here from our state reps and the tourism organizations backed by the resorts are only concerned with the 22 million potential gamblers from other states and they could care less about the impact on the local population.

I work as an asset protection specialist for a local big box store. In addition to countless internal thefts there have been almost four hundred prosecuted apprehensions for retail theft (shoplifting) from our location alone.

I don't know if gaming at Fernwood would bring even more crime to the area, but I do know that our law enforcement entities are facing cutbacks and layoffs while contending against a continuous increase in crime.

We do not need to push our resources to the breaking point so the Bushkill Group can profit while the quality of life continues to plunge in the area.

The bottom line is, awarding the license to Bushkill Group will do nothing for the area residents.

It will make commutes to out of state jobs longer, while adding mostly part time jobs that will not pay a living wage and will leave most of the employees relying on state funded programs and health care for their families.

Please help our futures and do not award this license to Bushkill Group.

Thank You
Fred Ost

I am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming Application. As an administrator of one of our local schools, I have come to know the company as well as its owners and staff. Through my experiences, I am confident that their years of expertise in the resort industry and their high standards for serving their guests, employees and the community will provide for a successful resort gaming venue.

Furthermore, the additional employment opportunities and increased economic development that would result from awarding a license to Bushkill Group Inc. are vital to our area. The company has put a tremendous amount of time and effort into establishing a plan that will make way for a prosperous gaming facility. They have also taken every possible measure to ensure that the implementation of their plan will not negatively impact the area.

Bushkill Group Inc. is a company of integrity that the PA Gaming Control Board would be fortunate to have as one of its license holders. I respectfully request that this letter be entered into the record on their behalf.

Thank you for your consideration. I look forward to the new opportunities that gaming will bring to our region and our community and students for employment.

Bushkill Group Inc's Category 3 Gaming Application

I am a local resident of Monroe County for the past 15 years. I am, at present, Director of Student Support Services, and the Student Community Enrichment Activity Program at Pocono Mountain School District. I am very involved with students, parents and other community members, in all things that help to grow our community, in Diversity and all cultural issues that make our community a better place.

During my years here, I have had the luxury of gathering corporate and community support for many diversity and social programs, which I have created. The people who make up the Bushkill Group, have always, and I mean always, supported these efforts with major contribution that have helped the young people of our communities here. I believe the people who run the Bushkill Group to be people of great integrity, honesty, and sincerity. Over the years, they have been responsible for many events that invite "the whole" of our community as a collected group, and not as separate ones.

I believe that your inclusion of them as members of the PA Gaming Organization increases the integrity of the very foundation of your organization. Their being issued a Category 3 gaming License, offers a promise of more jobs, for those in this area during these questionable economic times. I ask that you enter this letter into your official records on their behalf.

Thanks you for your consideration. I hope that these new opportunities are offered to this fine community-minded organization.

We are writing this letter on behalf of Bushkill Group, Inc., the parent company of Fernwood Hotel & resort.

As local business owners we are familiar with the resort and it's importance to this area.

Fernwood employs a large number of our local residents and are known to be generous with their benefits packages.

We would highly recommend that they be granted a gaming license. It will be good for our economy and will benefit our residents and businesses.

To Whom It May Concern:

This letter is being written in support of awarding Bushkill Group Inc. a Category 3 Gaming Application.

As business owners in Northeastern Pennsylvania for the past forty plus years, we have come to know many other area business owners. It is vital to the condition of the local economy to forge solid lasting relationships with those business owners, and eight years ago we had the privilege of beginning one of those relationships with Bushkill Group Inc. The owners and operators of the Bushkill Group possess key skills necessary to running and operating a successful resort, and we believe those same skills would easily translate to running and operating a successful gaming resort.

Not only would granting The Bushkill Group a Category 3 Gaming Application benefit them, it would perhaps more importantly provide economic and employment opportunities to the citizens of Monroe County. Their location is ideal for a gaming resort, and they have carefully crafted a plan to maximize revenue in their casino. The notion that a gaming resort in this area would be detrimental to the local economy is one that is not taken lightly by Bushkill Group, and one that has certainly not been overlooked. Their location meets the requirements in terms of distance from other casinos in the area. Their location has the space necessary to accommodate such a gaming area. It also has the potential for growth.

The owners and operators of The Bushkill Group are men and women cut from a cloth of honest business practices. They are the type of individuals who do business in a manner of integrity and respect. Having said that, I am sure that they would operate their casino with those same governing principals.

In closing, I hope this letter sheds a little light on the type of people who own and operate The Bushkill Group Inc. People who understand the importance of representing themselves well, and also representing the state of Pennsylvania. They would serve as ideal representatives for your organization.

Thank you for your consideration.

To PA Gaming Control Board,

I'm writing this letter to show my favored support; for the Fernwood Hotel & Resort, to receive the one remaining Category 3 Gaming License in Pennsylvania. For years our local Economy has been waiting for this opportunity. Route 209-North from, Shawnee to Milford would be the best location, for this License to be Granted, due to the vast openness of the region, as you know 209-north is already closed to commercial traffic, so larger trucks would not be an issue. Traffic going thru the Fernwood Hotel and Resort is controlled by lighting, from a previously completed; road construction project. It already handles Local and out of state Visitor traffic, with plenty of room to spare. Due to the vast size of the region, parking for the Hotel will not pose a problem.

Local business and Communities will all benefit as well. As projected, Bushkill School District has already increased its building size to handle the vast number of Vocational Homes to become more Permanent Housing. As you are aware, more Permanent residents in this Region, increases more Tax Revenue. This in turn; will build our Local Law Enforcement, Fire Dept's and Official Government Housing and more open positions for employment.

So I ask for your consideration in granting the Category 3 Gaming License for the Fernwood hotel & Resort. Your granting of this License will allow the Bushkill Region to grow into a large Economical Contributor to the State of Pennsylvania.

Sincerely,

K & T Bumper Boats

Attn: Gaming Control Commission

We own a small bumper boat business on the Fernwood Resort and Country Club property. As senior citizens and life time residents of the Poconos, we whole heartily endorse the granting of a gaming license to this resort. It will benefit many small businesses such as ours in our local area. I am on the Advisory Board of Eagle Village Timeshares at Tamiment and can vouch for their approval also. Our time share owners patronize Fernwood's facilities and would welcome the addition of gambling to enrich their stay in the Poconos. Now that Tamiment Resort has been demolished, Pocmont closed and Mountain Laurel Arts Center not operating, there is a need for this kind of State Controlled recreation. As a past member of the Advisory Board of The Glen at Tamiment, I can foresee the need that the revenues may bring to my fellow senior citizen property owners here in this gated community and the many others such as Saw Creek, Lake of the Pines, Pocono Mountain Estates etc.

RE: Gaming license for "Bushkill Group / Fernwood Hotel & Resort"

To Whom It May Concern:

Please accept this letter for your consideration with regard to the application of a gaming license for the "Bushkill Group / Fernwood Hotel & Resort."

First, please allow me to provide a few details about who we are. Our company, First Class Entertainment, Inc., is a licensed entertainment agency in the State of New Jersey. We were founded in 1990, and for the past twenty years we have been proudly servicing the entertainment needs of hotels, family resorts, country clubs, casino venues including Atlantic City and Las Vegas, and the cruise ship industry worldwide. We take great pride in our work, and even greater pride in the roster of companies we are honored to call our clients.

We have been aware for some time that the "Bushkill Group / Fernwood Hotel & Resort" has had an application submitted for a gaming license since the opportunity presented itself three or four years ago. We are also aware that this is the final opportunity for a gaming license to be granted to this organization. It is for this reason that we write to you in our endorsement and encouragement of your approving their gaming license.

Please allow me to elaborate. Since our founding in 1990, we have had a very cherished and valued relationship with the "Bushkill Group / Fernwood Hotel & Resort." We have been providing live entertainment to their resort, and have worked with them very closely to maintain a high level of excellence and guest satisfaction. For well over a decade, we exclusively planned their summer entertainment schedule bringing local, regional, and national entertainers to their venue. At one time, we even autonomously produced a country music concert there with star entertainers such as John Anderson and BJ Thomas. In all the many years we have worked with the "Bushkill Group / Fernwood Hotel & Resort," interacting with different administrations, adjusting to changing accounting budgets, procedures and evolving entertainment needs, we can honestly say that our experience with this organization has always been very professional, pleasant, and respectful.

ENTERTAINMENT

Planning • Producing • Artist Representation

In consideration of granting a gaming license, we strongly feel that this venue has all the attributes necessary for success and for a positive impact on the region and state. The "Fernwood Hotel & Resort" is located in a prime location. They would not only draw people from the local region, but it would be an attractive location for visitors from Northern and Central New Jersey, as well as New York State, thus bringing in business to invigorate the entire area. Local businesses would thrive, and this would also help to bring great tax relief. Job opportunities would increase dramatically, especially at a time where the unemployment rate remains so high. This level of vitality brought to the area would undoubtedly also help to increase charitable giving both on the corporate and individual level which is so greatly needed due to the impact of our nationwide recession.

Thank you for your consideration and attention in this matter. I sincerely hope that the information I have offered assists you and the board in a positive decision towards granting a gaming license to "Bushkill Group / Fernwood Hotel & Resort." If you would like to reach me for any reason whatsoever, please feel free to call me at (973) 763-0591, extension *15.

Subj: Support for the Gaming License at Fernwood Hotel & Resort

I have been a resident of Pa since the 1970's. Ever since I was a kid my parents use to bring me to the Poconos area every year to visit various resorts both in winter and the summer. The past twenty years I've been vacationing with my family at the villas of Fernwood Hotel & Resort because of the courteous staff hospitality and well kept conditions of the resort. The troubled economy has taken its toll on many businesses in the area due down-sizing and loss of many jobs in the area. Fernwood has been an escape from reality for many residences from New York, New Jersey, Pennsylvania, Delaware and Canada for many years but has been lacking additional activities such casino tables and slots machines, increased growth in entertainment that comes along with that business. Bringing a casino to Fernwood would be a great move to jump start the areas new economy during this recession recovery not only for generation larger revenues for the resort and the state, but boasting job opportunities for local businesses. Fernwood Hotel & Resort has my support for obtaining a casino gaming license because they deserve it.

To PA Gaming Control Board,

I'm writing this letter to show my favored support; for the Fernwood Hotel & Resort, to receive the one remaining Category 3 Gaming License in Pennsylvania. For years our local Economy has been waiting for this opportunity. Route 209-North from, Shawnee to Milford would be the best location, for this License to be Granted, due to the vast openness of the region, as you know 209-north is already closed to commercial traffic, so larger trucks would not be an issue. Traffic going thru the Fernwood Hotel and Resort is controlled by lighting, from a previously completed; road construction project. It already handles Local and out of state Visitor traffic, with plenty of room to spare. Due to the vast size of the region, parking for the Hotel will not pose a problem.

Local business and Communities will all benefit as well. As projected, Bushkill School District has already increased its building size to handle the vast number of Vocational Homes to become more Permanent Housing. As you are aware, more Permanent residents in this Region, increases more Tax Revenue. This in turn; will build our Local Law Enforcement, Fire Dept's and Official Government Housing and more open positions for employment.

So I ask for your consideration in granting the Category 3 Gaming License for the Fernwood hotel & Resort. Your granting of this License will allow the Bushkill Region to grow into a large Economical Contributor to the State of Pennsylvania.

Sincerely,

JOHN HUTTER

Dear PA Gaming Control Board,

I am writing this letter in support of the Bushkill Group Inc. and Fernwood Hotel & Resort for obtaining the remaining Category 3 gaming license in PA. I graduated from East Stroudsburg University with a degree in Recreation and Leisure Service Management, which allows me to recognize the benefits of offering a diverse variety of amenities and recreational programs. I believe that the Bushkill Group would use this opportunity to enhance the quality of their entire resort operation, which would help increase tourism in the Pocono region.

I have had a working relationship with all of the owners of the Bushkill Group and I am proud to say that I was a part of their team. Customer care and employee development were always strengths of this group. Support of the local community was important and I know as the company grows that community support will continue to grow, as well as employee growth and new employment opportunities for the area residents.

My family enjoys winter vacations at Fernwood Hotel & Resort. Many travel for several hours to meet each year to enjoy the facilities. The addition of the gaming license would only further enhance the enjoyment and experience my family and hundreds of other families would have at Fernwood.

I feel strongly that this company and group of owners deserves to receive this license; they would handle this opportunity with great respect for the local community. If you need additional information that could assist in solidifying Fernwood receiving this license, please don't hesitate to contact me at (717) 572-8579.

Sincerely,

Adella J. Houck

To Whom It May Concern:

I write to you regarding the application for a Category 3 gaming license by the Bushkill Group Inc., and Fernwood Hotel and Resort.

There are many reasons why a great many of us hope that you will determine that this is a facility, an organization, and a community worthy of you deciding in their favor. I would like to offer one from a personal perspective.

In my career as a TV newsman, it was apparent on an untold number of occasions that the quality of the person, the quality of the people in an organization, was the most critical factor in determining the viability, the success of that organization.

The gaming industry has come under great scrutiny. I have known some of the people involved in the management of the Fernwood Hotel and Resort for many years, and feel quite comfortable in recommending them to you as the kind of quality people who would do the gaming industry proud in our Commonwealth of Pennsylvania.

Thank you for your time.

I am writing this letter on behalf of, and in support of Bushkill Group, Inc. the parent company of Fernwood Hotel & Resort, with respect to their application for Category 3 Gaming License in Pennsylvania.

As an employee of Dun-Rite Electric who has done business with Bushkill Group for over twenty years, I am well acquainted with this company and its owners. In the years I have known them, I have found them to be a well established, locally owned resort. They are very professional; maintaining the highest standards of operations in the management of their resort. As one of the largest resorts in Northeastern Pennsylvania, Fernwood Resort offers a large variety of rooms and high quality amenities. I am confident that they will continue this level of excellence in providing for a successful gaming venue.

I have found the Bushkill group to be a company of high integrity and believe that the PA Gaming Control Board would benefit by having Bushkill as one of its license holders. Therefore, I respectfully request that this letter be entered into your records on their behalf.

Thank you for your consideration. I look forward to the new opportunities and economic development that gaming will bring to this region.

Re: Bushkill Group and the Fernwood Hotel and Resort.

Dear Sirs/Madam;

This letter is in respect to the application submitted to the Pa. Game Commission on the Bushkill Group's and the Fernwood Hotel and Resort's behalf.

Eagle Village Property Owners Association is a small but popular Timeshare Vacation Resort here in Tamiment Pa and we are only 6 Miles from the Fernwood Hotel and Resort. We represent over 3000 timeshare owners as well as the Board of Directors here at Eagle Village. Having this Casino just down the road will be an amazing boost to our Resort and to this area.

The President of the Property Management Company here has spoken in favor of this application at the last Input hearing for the Bushkill Group as well as many other community and business leaders in the area did that day.

Our Area here in the Pocono Mountains has been affected by the economy and as a result there have been too many business closings. The Tamiment Hotel, the Mountain Laurel Center, the Pocmont Hotel, just to name a few and this has had an impact on our vacationers, local workers, restaurants and other resorts here in this area of Pennsylvania.

This location for years and years has attracted visitors from New York, New Jersey, Philadelphia, and all over the country and recently we have seen more world travelers visiting the Poconos Mountains from Canada, and as far as the UK. The Pocono's has a reputation from way back as a great honeymoon spot and still has the most beautiful country, wilderness, and National Park properties that there are. Plus, in Monroe and Pike County we are very accessible via Rte. 80, Rte 402, and NJ and Dingmans' Ferry bridges.

Awarding The Bushkill Group this license will not only bring more people to the immediate area but will also aid in tolls for the Delaware water Gap, and Dingmans Bridges and it will obviously bring our local business back to where we will thrive and continue to grow.

As a resident here for 20 years now (originally from L.I. NY), I have seen the start of some wonderful projects over the years and Awarding this License to this area and the Bushkill Group will bring so much more, to include tax cuts, JOBS, and more revenue so we can all build and continue to grow as a community and bring more out of State visitors here to vacation and enjoy this beautiful area.

I worked for the Villas at Tree Tops and Fairway and the Bushkill Group for 16 years and All of those 16 years, I was a very happy and proud employee. They taught me so much about the hospitality industry and sent me to many educational courses to improve myself and my Job performance, and that did enhance my opportunities to continue in the field.

I don't know where I would be without their support; training; and the confidence they instilled in me. They do many things as a Corporation for the community and other businesses throughout Monroe and Pike County. They are always holding charity events and collecting for the United Way and they support countless other Local charities. They are all Local People and wonderful Employers. They have great benefits to offer employees including very reasonable medical insurance, 401K, paid sick and vacation time, and much more. These kinds of benefits are dwindling in the work force But the Bushkill Group remains very supportive of their employees. Having this awesome casino run by them and Penn National will put many more people to work and provide much needed benefits for families.

This is the one and only chance that I can see for this positive growth in the area of Monroe and Pike County. Please Award this Category 3 gaming license to this wonderful Resort and to this Community.

Sincerely,

Theresa M. Travis

To Whom it May Concern,

My name is Jay Mattioli and I am the president of the entertainment company JAY MATTIOLI PRODUCTIONS, LLC. I'm writing in support of The Bushkill Group / Fernwood Resort and Hotel's application for Category 3 Casino License.

For the past eight years I have been a business associate with The Fernwood Hotel and it has been my pleasure to get to know its employee's and guests. In this difficult economic climate, The Fernwood Hotel and Resort has continued to uphold its tradition of excellence, but not without hardship.

The Bushkill Group / and Fernwood Hotel and Resort have shown great courage and determination, applying for years for this such license, and now it is faced with their last chance at applying for it. If granted, not only would it shed a brighter light on this prime vacation location and be an added amenity, but it would draw even more out-of-sate business, as well as give this group the ability to increase its charitable giving in the future.

I believe the prime location, the decrease in real estate taxes, the increase in jobs for local residence, and the increase of customers to all of the local businesses, makes this organization the stand out choice to be granted this license.

I thank you in advance for your consideration in granting The Bushkill Group / Fernwood Hotel and Resort their Category 3 Casino License .

Sincerely,

My name is Sandra Gaitan and I reside in Bushkill, Pennsylvania for over the last 20 years. I have been employed with Fernwood Hotel & Resort for almost 8 years, and have seen a lot of changes in the area since then. I believe our resort is a prime location for the casino because we are centrally located between New York and New Jersey, which consists of the majority of our clientele. Hence, this opportunity would draw in more out-of-state tourism, which the Poconos is a great market for thus far. Another positive for the area would be more jobs circulating for the community. With the economy taking a big hit over the last few years, so has the loss of jobs in this area. Being a casino operated resort would definitely be an added bonus because of the new amenity it will bring to our guests staying with us and for the local residents. Fernwood gaming application has been in the process for years and this is essentially the last chance of hope for a casino license. This decision is very crucial for the success of our well-established resort that has been around for decades. With Fernwood obtaining the gaming license it should give residents in the area a huge tax relief on their taxes. All in all, this is a great opportunity for our area (and neighboring townships) to get a much needed boost in their local businesses. More visitation equals more revenue for us all. Although Fernwood has always been on the forefront when it comes to charitable work, this can only allow them to give back more to the community. I appreciate your time in reading this letter and taking into consideration of what I have to say in regards to this matter.

Sincerely,
Sandra Gaitan

My name is Chris Robacker and I am an employee for the Fernwood Hotel and Resort. I have worked for Fernwood for over 11 years. I am a very dedicated employee who wants to see the company do well. I started in 1999 and have grown with the company, and would love to see the company grow even more. It is in my opinion that having Fernwood as a casino would greatly help out not only the business itself, but also businesses in the area. The Poconos once used to be a thriving tourist area, and as of late with the economy going down unfortunately so has the amount of tourism and with that the amount of business in the area. As an employee I personally enjoy seeing a busy hotel and seeing people enjoy themselves. If you would give us the chance of being a Casino, I believe that our guests and locals could enjoy themselves even more. The hotel can be the thriving business it once was. During my work I am always getting asked by guests when we are going to become a Casino, and my answer is hopefully soon. Most of our guests are from New York. We are in prime location for a Casino, because we are so close to both New Jersey and New York.

Having a casino would add to the job market as well. So many people in the area have a hard time finding a job, and having a casino would greatly increase the amount of jobs that we offer. I have been following the progress since the very beginning. I went to the very first hearing we had when the thought of being a casino was first introduced. It gave me hope, because it was a great idea. When I found out that we did not get the license in the first round I was disappointed. We have been trying to become a casino for years, and unfortunately this is

our last chance to do so. This is the last chance for the Fernwood Hotel and Resort to be
Fernwood Hotel and Casino. This is the last chance for us to give those people another chance
for finding a good job and our last chance for not only helping out the Hotel itself but also
surrounding business and tourism. All the other applicants have another chance to become a
casino. So please do not deny us in our last attempt in being a part of something much bigger. I
thank you for your time and appreciate you reading my letter of support.

Sincerely,

To whom it may concern;

I am writing this letter in support of the Bushkill Group Inc. The Fernwood Resort has an established history in the Poconos and is a major draw for tourists to the eastern Pocono region.

The company is very beneficial to the community. Besides the large number of local people that it employs, through the years they have consistently run or sponsored events on property, the proceeds benefiting area charities. I know this has been a big help to these groups, especially in these tough times. Also they have been cooperative and helpful to the Township.

All in all, the Bushkill Group is a company that has been good to, and for, the local community.

Respectfully,

To Whom It May Concern:

My name is Shannon Price and I am the Human Resources Director for the company. I am taking the time to write this letter on behalf of the Bushkill Group because I believe in them and know them to be honest, hard working people who deeply care for their employees.

I began working for the company 19 years ago as a Receptionist in the Human Resources Department. Eventually, I became the Benefits Coordinator and a year ago became the Human Resources Director. Because I have spent my career in the department, I can tell you they are fair, supportive of their employees providing them one of the best benefits packages in the region, and are always looking out for the well being of their workforce.

My story is not unique. I can give you many examples of employees who started working for the Bushkill Group in their teens at an entry level job and were given the chance to learn, grown and eventually hold management responsibilities. All because of the Bushkill Group's support with programs created to encourage and pay for educational enrichment.

We have a diverse workforce and have had one long before the gaming license application began. Our median years of working for the company is 20, with employees who have worked for the Bushkill Group for over 40 years.

Like most of American businesses, we have been going through very difficult economic times. Throughout the last two years, the ownership has worked hard to keep employees working, pay the ever skyrocketing benefits expenses and continue to provide for the many special circumstance that arise each day.

When our employees have needs, I am given the resources to try to provide. From housing when catastrophe strikes, to our recent book bags for school children distribution, the owners are supportive and are striving to continue to be the employer of choice.

I am truly proud to be working for the Bushkill Group and know that their integrity, honesty and real concern for their employees are attributes that will make them ideal for the awarding of the final Category 3 License.

SUBJECT: Bushkill Group Inc.'s Category 3 Gaming License

To Whom It May Concern:

As someone who has been a Pennsylvania resident for quite some time and has also spent nearly two decades working for and with companies in the Casino Entertainment industry, I feel that I have a unique perspective on not only this business, but also what would be best for the State in which I reside and I respectfully request that you enter my support of the Bushkill Group Category 3 Gaming License into the public record.

I've had the pleasure of being a patron of the Bushkill Group's Fernwood resort, as well as a friend and associate of the senior Management of the Bushkill Group since 2000. From my personal experience in gaming having worked for leading companies including Harrah's Entertainment and Foxwoods, I've long seen the extraordinary potential of Fernwood as a gaming resort. It features extraordinary amenities, exceptional lodging facilities and an overall infrastructure that is perfectly suited to adding gaming operations.

While I reside only a few short hours from their Resort, as a patron, I'm probably in the minority. When on site, I'm impressed with the number of license plates I see from New York and New Jersey and recognize that a gaming facility at the Bushkill Group's Fernwood Resort would succeed in bringing more out-of-state revenues into Pennsylvania.

Lastly, I would be remiss if I didn't highlight one of the strongest aspects of their application – the high degree of integrity and professionalism possessed by their management team. Again, here I believe that I can offer a unique perspective as I have had the pleasure of working with hundreds of gaming and hospitality executives throughout my career. And I can say with the utmost sincerity that the Bushkill Management team is one of the finest that I have ever encountered. While solid businesspeople, they also promote a "family" atmosphere among their team that is truly rare in today's challenging business environment. They are solid contributors to the local community and among the most responsible and ethical executives that I have ever had the pleasure of meeting.

Thank you for the opportunity to share this with you and I look forward to the many benefits that will be generated by expanding gaming in Pennsylvania.

My name is Cecilly Martin. I am currently a resident of east Stroudsburg area, as well as an employee of Fernwood hotel and resort. Over the last couple of years Fernwood has been going through the application process to get the gaming license, which I think, is well deserved. Fernwood has been around for decades and is a well-established resort in our community. They are very experience in the recreation industry. Doing things from live shows and bands to arts and crafts for kids. Fernwood has always been a good company for employees in my many years of working here. Having a casino here would be a great addition to Fernwoods many amenities. But a casino would also help out local businesses by providing them with more customers. As well as more out of state customers being that we are so close to New York and New Jersey. A casino would give our area more job opportunities, which we are greatly in need of. This is Fernwoods last chance for the license because of the law change and I think its time to help out our community as well as our resort.

My name is Nigel Ambrose and I reside in Bushkill Pennsylvania. This letter is in support for the Fernwood Hotel to gain a gambling license. Located East Pennsylvania I feel it is a prime location spot, being close to New York State and boarding New Jersey. This gives us a chance for plenty of out of state tourism. Tourism is a great revenue maker for the Poconos and a gaming license would be a great addition for the community. With Mount Airy already up and running, Fernwood being a casino will only give the people more options in the Poconos which would be a great plus. With Fernwood getting a gaming license it will give residents a huge tax break when it comes to resident taxes. Obtaining a gaming license will also lead to more jobs in the area and more customers for local business. Fernwood has already been a major force in charitable work in the Poconos and this will only increase. Being a casino would add a huge amenity to the resort for guest and locals alike. Fernwood gaming application has been in the process for years and this is the last chance at a casino license. So it is very important and crucial that we get it this year. Fernwood has been a well-established resort for many decades in the Poconos and this will continue on with the obtainment of a Casino license. I am fully behind and in support for Fernwood 100% in getting a gaming license to better everyone's enjoyment of the resort. Whether using the resort for pleasure as a customer or a place of work for an employee the gaming license will help everyone.

To Whom It May Concern:

I write this letter today in support of Fernwood Hotel and Resort's request for a license to establish a casino in Bushkill Pennsylvania.

As a person who has resided in Northeast Pennsylvania for close to 10 years, I have witnessed first hand issues in our area that that has impacted families and businesses. I have also witnessed a few companies and organizations that have always offered a helping hand to those in need. Fernwood Hotel and Resort is one of those businesses! From hosting charity events to offering free space to not for profit organizations, they have been a leader in the fight to get the local economy back on target in the area.

At a time when we see many people losing homes and businesses, Fernwood has been one of the consistent organizations in regards to offering employment opportunities to many people residing in NE Pennsylvania regardless of ethnicity or places of origin. Fernwood is a true believer and continues to practice hiring based on ability and not nationality or ethnicity. To know the people at Fernwood, from the CEO to the people cleaning rooms, is to appreciate and trust them. They are far from what we think about when discussing gaming in Vegas and Atlantic City. When describing them I would use the word Integrity with a capital "I."

As a person not affiliated with Fernwood as an employee or even a consultant, I have watched how they work with organizations looking

to bring groups to the resort as a event planner. I have watched and been impressed with the level of professionalism they have always exhibited regardless if the group was from The Bronx New York, or Beverly Hills California. In fact by writing this letter of support I will most likely hurt my business for about two years since the building that would be converted to a casino is the building I use locally for events seating 1000 or more people. Regardless of my loss, the correct thing for a person such as myself to do is tell the truth, the whole truth, and nothing but the truth. In no way could I not say how important it is for Fernwood to obtain the gambling license they are seeking! It might hurt me, but it helps the entire area in the long run.

Fernwood is not the only one that would benefit from obtaining such a license, the entire area would benefit. The economic relief through job creation, expanded business opportunities along route 209, the need for new entertainment all over the area, and the tax relief having a casino provides is something 99 percent of the area residents are hoping for. And trust me, the entire community seems very excited about the possibility of Fernwood having a casino.

In conclusion I would like to again reiterate my strong support for Fernwoods attempt to obtain a gaming license to open a much-needed casino in our area. Doing so would be such a tremendous boost to our area! I thank you in advance for reading my letter.

Sincerely,

This letter is concerning the subject of the application made by Bushkill Group, Inc. for the one remaining Category 3 gaming license. My letter to you is in support of the Bushkill Group obtaining this last gaming license available in Pennsylvania.

I have been an employee of this resort for over 20 years and also a resident of the same township and county for the same number of years. There is quite a number of reasons for my wanting Fernwood to get this license, first and foremost, is the fact that their experience in the resort and recreation area is by far unequaled by very few in this business and area, and their priority is always making people comfortable and happy for the short time they are with us. No matter where you travel around this resort, there are always people smiling and having a great time. They know how to make people have fun while staying at the resort.

Secondly, as I stated above I have been a resident in the same area, therefore, I pay taxes locally. This gaming project would help other homeowners as myself in this area with some sorely needed tax relief and would be greatly appreciated by all.

Thirdly, this resort has been a major employer in this area for as many years as I can remember, even before I started working for them, and granting them this license would provide the much needed availability of new jobs to help rejuvenate this resort area community back to its original status. They're always glad to refer their guests to other various local businesses in the County who would also benefit from Fernwood getting this license. It would bring more tourists into the area therefore providing more revenue to the little businesses that dot this resort town.

Fernwood Resort has always been helpful to a number of charitable organizations in the area, and always trying to help in any way whether it is monetary or just plain helping out at a community function. The owners are always willing to donate to many causes and charities. I personally am part of an organization that does a charity function every year for the children of Kidspace and Fernwood always provides wonderful donations to that event.

I and my coworkers and all the good employees that Fernwood has would also benefit from this gaming license. They have always tried to be good, fair employers even in this time of financial hardship that this country has been experiencing. They still provide all employees with health insurance, paid vacations and other various benefits that other companies have either never provided their employees with or have recently taken away. All employees enjoy discounts in all of the food areas and other amenities on property.

I am personally thankful to all of Bushkill Group owners for keeping myself and all of the many employees of the Company working and providing us with employment, they have had to adjust many aspects of the Company and have still been able to provide their guests with outstanding hospitality and a great amenity filled fun stay.

Sincerely,

Donald J. McCutchan

Dear Board:

As the spouse of one of Bushkill Group's employees, I know firsthand how great the owners that run the Bushkill Group are and how great they are to their employees. My wife has worked for the Bushkill Group for over 10 years and we are truly grateful for the excellent benefits and the great work environment they provide.

I have also on many occasions attended functions at the Resort (i.e. weddings, golf tournaments, etc.) as well as staying at the Resort as a guest. I have had a good experience each time. Thank you to the hardworking and professional individuals employed by the Bushkill Group and Fernwood Hotel & Resort that made those experiences positive ones.

Lastly, I appreciate the Board's willingness to allow me to write such a letter to express my opinions of the Bushkill Group, its owners, and their Resort.

Very truly yours,

Dale Townsend

RE: Category 3 Gaming License

Dear PA Gaming Control Board Members:

As a life-long resident of Pennsylvania, I have had numerous opportunities to travel all across the state for both business and personal reasons and have been to all of the four locations that are being considered for the remaining Category 3 gaming license.

I would like to voice my support in favor of awarding the license to Fernwood Hotel and Resort in Bushkill, PA. I have visited that facility many times and believe that the addition of a casino amenity at Fernwood would be a perfect fit to the resort. Not only will it benefit guests coming from all over the East Coast with additional recreational options, but it will provide excellent and much-needed employment opportunities for the northeast Pennsylvania region. The area is a well-known get-a-way location that provides fun and exciting entertainment, and selecting Fernwood as the remaining casino site would provide an additional venue for vacationers to the Pocono region. Because of the easy driving distance from New York and New Jersey, the area would see a huge increase in the amount of visitors which would benefit not only Fernwood but all local businesses.

As a resident and homeowner living in close proximity to the Gettysburg Battlefield, I feel strongly that Gettysburg is an inappropriate location for a casino. Visitors come to Gettysburg to pay homage to the great sacrifices of the soldiers who fought on the fields and roads surrounding Gettysburg, and adding a casino to the area takes away from the solemn nature of this historic site. A casino does not belong in Gettysburg.

Thank you for the opportunity to add my support to awarding the remaining Category 3 license to Fernwood Resort.

Sincerely,

Elizabeth A. Kramer

Dear Pennsylvania Gaming Commission:

I am writing in support of the proposed Category 3 Gaming license to be located at The Fernwood Hotel and Resort in Bushkill, Pennsylvania. I believe that the construction and operation of a casino will provide much needed and wanted jobs, attract a variety of new businesses, broaden the township and county's tax base, and make the Fernwood Hotel and Resort an even larger entertainment, and leisure destination for Northeast Pennsylvania.

The infusion of dollars that the proposed casino would bring will boost the economy of Middle Smithfield Township and the surrounding area. The revitalization of this scenic area in the Poconos has already begun and is currently in an ideal position to be the home for the state's newest Category 3 Gaming venue. As member of the community I will welcome the Category 3 Licenses at Fernwood and the diversity it will add to the job market. Additionally, the casino revenue will widen the tax base and attract other businesses, thus contributing to the overall economic health of the community.

I believe that the site adjacent to the Route 80 / Delaware Water Gap Corridor to be the optimum location for the proposed casino. Situated on prime real estate along the Delaware River and Delaware Water Gap National Park and Recreational Area, this site would be easily accessible for guest and tourist coming to our area. It would capitalize on the facilities already available and eliminating the cost of building a stand alone type casino venue. Most importantly, it would provide a capstone to the combination of amenities already present at the resort and in the surrounding area. It poises Fernwood to attract even more of those consumers currently traveling past and away from Pennsylvania for their gambling and entertainment needs.

I encourage you to consider the Fernwood Hotels and Resorts ideal location, established facilities, as well as the outstanding Management Team operating at the hotel. The combination of locally grounded and philanthropic owners, a strong and customer service oriented group of team members and the picturesque area of the Poconos makes this the prime location for this license to be placed.

I whole heartedly support the awarding of the Category 3 gaming licenses to the Fernwood Hotel and Resort not only for the good of our the community and surrounding area but also for the increase in amenities our wonderful area provides.

Sincerely,

David James Penney

To Whom It May Concern:

I am writing this letter in support of the Bushkill Group Inc.'s Category 3 gaming application.

As a local resident of the Pocono Mountains for 35 years with family ties to one of the regions older family resorts (Mountain Lake House Resort), I have personally come to appreciate the importance of tourism in an area known for its hospitality for generations. Being in close proximity to cities such as New York, and Philadelphia the Pocono's have become a viable picturesque vacation destination for out of state travelers, where they like to call the area their "home away from home."

In order for the region to stay competitive as a destination for vacation travelers, it is imperative to continually seek amenities that will attract those visitors to keep returning and parting with their hard earned dollars. By the members of the PA Gaming Board voting yes to Fernwood's request for a category 3 gaming license you take another step in ensuring that the decades of tourism traditions continue to flourish for an area both I, and many out of state travelers have come to love.

Fernwood Hotel & Resort and its owners are certainly the perfect fit to expand what the area has to offer: a large full service mixed use resort with countless amenities serving an array of business and recreational travelers. Adding a gaming facility to this list of amenities would not only help the local economy, but provide much needed tax relief, and solidify jobs for the local talent of hospitality professionals.

I Thank You in advance for voting Yes to Fernwood's request for a category 3 gaming license, as it stands currently under legislation this may be its only opportunity to be granted one, and their persistence in the approval process proves how dedicated both the owners and the Resort are to obtaining one.

To Whom It May Concern:

I am very pleased to take the time to write this letter of support for the Bushkill Group Inc., the parent company of Fernwood Hotel & Resort as they pursue a Category 3 Gaming License. Let me begin by telling you a bit about myself and how I've come to know the qualities exhibited by the individuals seeking the license. I have had many experiences over the past several years dealing with major issues in New York City, highlighted by the terrorist attacks of 9/11. In fact, it's nine years since that dreadful day and not a moment has gone by in my professional life, that the threat of terrorism does not find a prominent space on my radar screen. The responsibility of keeping people safe is a major responsibility and one that is filled with constant stress. The reason for my professional reference links to the wonderful contribution the Bushkill Group has made in my life, from a personal perspective. I have had the pleasure of frequenting the Fairway Villas, and have come to know the professionals of the Bushkill Inc. well.

These are people with vast experience in their respective areas, including operations, finance, legal sales and marketing development. The key to their success is treating the customer with respect driven by a genuine commitment to great customer service. Also, it is obvious that diversity is a cornerstone to its business philosophy. The owners recognition of its people coming from all ethnic persuasions is obvious as it is the atmosphere created by dedicated personnel.

Also, I've gotten to know several of its principals who exemplify the ability and personal integrity one would want to see in any business. This is an extremely important element when dealing with the subject of obtaining a gaming license.

In summation, the company and its owners alike achieve the highest goals to serve their guests, employees and the community. These are all qualities of a leader in the industry and an organization of which people can be proud to be part of.

I strongly recommend that you respectfully grant them an opportunity to obtain this license based on achievement.

As a local business owner in the area since 1986, I am very familiar with Fernwood Hotel & Resort as well as its owners. My first contact with Fernwood was almost thirty years ago when I worked for Fernwood working my way through school.

The Bushkill Group, as you know, is the parent company of Fernwood Hotel & Resort and is one of the largest resorts in Northeastern Pennsylvania and offers a variety of rooms, amenities, and event venues. The owners, of which I am personally familiar, have over 27 years of experience in their respective areas, including operations, finance, law, sales, marketing and development. The owners themselves manage the resort; therefore, it is operated with care and professionalism.

The Bushkill Group is widely known as "a really great group of people" who are widely respected in the community as being the top in not only their professional fields, but also as fine, well-respected people.

The company and its owners alike hold high standards for serving their guests, employees and the community. They have shown leadership in their industry and community and are an organization which their employees as well as community residents can be proud.

I am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming application. I feel the additional employment opportunities and increased economic development that would result from awarding a license to Bushkill Group Inc. are vital to our area. Thank you for your consideration.

I am writing this letter in support of a gaming license for Fernwood Hotel and Resort. For the past 10 years our company "Magic Touch Entertainment" (a PA licensed entertainment agency) and "The Brain Show" have had the privilege to work with Fernwood Hotel and Resort. It has provided my staff and artists who we represent the ability to earn a living while working in and with a professional organization. It's prime location and successful marketing team brings guests and corporate groups from all over the country. From it's first class amenities to it's favorable location in the Pocono Mountains, Fernwood Hotel and Resort has been and will always be a reason people from all walks of life will choose a vacation in the Pocono's.

As I look at the diverse population in our region, I can't help but imagine the impact a gaming license would have on the immediate area surrounding Fernwood. From economic growth of outlying businesses to lower property taxes to the thousands of home owners, everyone would be affected in a positive way. Knowing the talented management team at Fernwood, job's would be a "win win" situation for the entire Pocono region, and the respect in which they treat their employee's is second to none and quite frankly unheard of in the industry.

It has been an honor working with Fernwood Hotel and Resort in various fundraising efforts. Whether taking on the task of raising money for a fallen State Trooper's family to the many other charitable works, Fernwood has always lent it's support financially to many causes big and small. With a heart as large as this company, our area would benefit exponentially with the increased revenue this worthy organization would see with a gaming license.

It is my understanding that this is the "last chance" for Fernwood's Gaming Application. My hope is that you will consider strongly in giving a Casino License to Fernwood Hotel and Resort and know that in doing so you will be choosing the right team for the right job.

Sincerely,

Jeff O'Leary

To Whom It May Concern,

I am writing in regard to the Bushkill Group, Inc. (The Fernwood Hotel & Resort) and their goal of achieving a Category 3 gaming license.

I am not only a long time resident and homeowner in Bushkill, PA, but a 15 year veteran the hospitality industry in Monroe County, a taxpayer, and a parent raising a teenage son in the community. Throughout the 20 years of my Bushkill residency, I obtained my first full time job at the Fernwood Hotel and Resort and grew within the hospitality business. I made many business alliances and gained valuable knowledge of what a family vacation experience should be and the Fernwood Hotel & Resort was something I could be proud to be a part of with quality accommodations and amenities. I've seen both ends of the spectrum, as a current non-profit employee witness the good gestures that Fernwood has reached out to our organization, and continue to do so with benevolence and offering amenities that our clients cannot afford.

I've seen the Monroe County area grow throughout the years, and have recently seen the area decline with the closing of many long time area resorts due to poor and declining amenities, labor cut backs and operation due to low occupancy numbers. Restaurants, shopping malls, and traditional "mom and pop" businesses have suffered the effects and ultimately closed their doors.

I may no longer be in the hospitality business, but know as a consumer, parent, and tax payer in the Bushkill area that this pioneering resort town is in need of an added amenity other than skiing, tubing, and water features. Our school occupancy continues to grow, although their extra- curricular activities have been cut and are in danger of failing due to funding. My home is worth what it was purchased 20 years ago, and my taxes continue to climb. We need a positive change in the area, and the addition of The Bushkill Group obtaining a category 3 license would be the start of a great thing.

Thank you for taking the time to hear my concerns, and consider the need of a new amenity in Bushkill, PA.

Dear Gaming Control Board Chairman and Members,

As a resident of Middle Smithfield Township, I write this letter of support for the Bushkill Group Inc, and The Fernwood Hotel and Resort. I am in support of this establishment receiving a resort gaming license. My reasons are as follows:

1. Jobs-our community needs jobs as we have seen our unemployment rate rise over the last few years. I personally know people in the community who have been trying desperately for over a year now to find work and it just is not available to them. This gaming facility would provide over 900 jobs, I am told.
2. Middle Smithfield Township could use the tax revenue to offset any future tax increases. The township recently decided to expand its sewer capacity buy purchasing unused existing EDU's. This purchase required borrowing. The funds received from the gaming monies could also be used to help retire this debt.

Thank-you for your consideration of this project for the Bushkill Group, Inc.

Regarding the pending application for a gaming license at Fernwood Hotel and Resort, in that, Fernwood Hotel and Resort would serve as a vital catalyst for the economic development of the Bushkill Area. It would save and create hundreds of jobs in the surrounding community. The residents will also benefit from the gaming license. It will help provide much needed funds to the community for additional services with very little impact.

As a vendor to Fernwood Hotel and Resort, I can tell you that Fernwood has always demanded a high image when it comes to their employee's uniforms and facility service requirements. I have attended many meetings with the team at Fernwood to discuss their uniform options and the professional image of their employees. I would expect this attention to detail to carry over into the gaming area as well.

My name is Mr. Kelly Scot Smith. I am the owner and operator of Kelly Enterprise Group LLC. We are a outside contracting company that has been doing business with Bushkill Group Inc and Fernwood hotels and resorts for a number of years. This letter is in support of their decision to obtain a gaming license. As a business owner and also a resident of the area, I am in full support of this decision. Having worked closely with the Bushkill group I can honestly state that my experience has been nothing short of professional, respectful and caring with them. Although there are many outstanding attributes about The Bushkill Group the ones that stand out most for me are the way they constantly give back to the community through numerous different events. In the time I've spent working with The Bushkill Group I have never had anything other than a positive experience.

As a resident of the area I can't help but to state the most obvious reasons the casino project would be a perfect fit for our area, more jobs, prime location, tax relief, and more customers for all of the other local businesses. In closing I hope that all is looked at and considered when making the final decision. The Bushkill Group is a fine establishment and well managed. It is by far the most reputable resort in the Poconos. Thank you.

Re: Bushkill Group, Inc.
Category 3 Gaming Application

To Whom it May Concern:

This letter is in support of Bushkill Group, Inc.'s Category 3 Gaming Application. I support this application and the benefits, if approved, it will provide to our community.

As a life-long resident of Monroe County, Pennsylvania, with a long-standing business relationship with the Bushkill Group, Inc.'s management and its employees, I am confident in their ability to continue to manage their resort and provide for their guests, employees and the community with the highest of standards. My company has been involved with the current management and employees for vending and video game services for the past nine years. This covers a period of different ownership of the resort property, but the same management and employees. The Bushkill Group, Inc. hires other local businesses and strives to provide economic opportunity for area residents.

I have found the current owners, management and employees of the Bushkill Group, Inc. to exhibit the highest ethical values, while maintaining a competent, friendly and successful business model for guests and employees. I believe they will

provide a successful resort gaming venue, while also operating to the highest of ethical standards.

The Bushkill Group, Inc. owns a successful resort property. The management team owns the company, and most have lived and worked in our community for many years. The Bushkill Group, Inc. has given back plenty to the community, even when the current owners were in management at the resort, including donation of greens fees, golf tournaments for charities, discounted rates for facilities and meals for charities, donated food for school groups, community events and charitable fundraisers, etc. I have personally participated with the Bushkill Group in support of the Monroe County Chapter of the United Way, of which they are a large benefactor.

The addition of a gaming license would help my business and community. The license would create additional jobs, both at the resort and for local vendors like my company. The jobs created would assist local commuters to work close to home, increasing their time with family and the community. There also would likely be local property tax relief, both from revenue on earned income tax, additional assessment to the property if the property were expanded, and from gaming revenue to the State.

I believe the Bushkill Group, Inc.'s location, the successful history of the current owners, managers and employees, and the impact to the local community, would make them an excellent choice for a license. I request that this letter be entered into the record on their behalf for consideration of a gaming license. Thank you.

RE: Bushkill Group License Application

Dear Gaming Board,

I am writing to express my support for the approval of a Class 3 gaming license to the Fernwood Resort & Hotel, owned by the Bushkill Group.

As a business person I can appreciate the economic value that gaming at Fernwood would bring to this region of Pennsylvania. As a vendor to the Fernwood Resort, I imagine that my business would most certainly grow in both profits and in the hiring of local residents as a result of the added gaming amenity at the resort. And, as a resident of Monroe County I have already seen the social service benefit of legalized gaming revenues and I would appreciate the added value to these services that gaming at Fernwood would bring.

The Pocono Mountain Visitors Bureau commissioned a study in 2008 that concluded that the Pocono region enjoys an annual visitor total of about 23 million people. The Fernwood Resort has a long tradition of catering to this tourist population and I am confident of their ability to meet and exceed the Gaming Boards Class 3 license expectations.

Dear Chairperson:

I am writing this letter in support of Bushkill Group, Inc. Herbert, Rowland & Grubic, Inc.'s has been providing Fernwood Hotel & Resort with professional engineering services and permitting services for many years. They have been a responsible business Client and we view them as a successful resort in the Poconos with which we are proud to associate.

Fernwood Hotel & Resort is one of the largest resorts in our region. It's a well established company that has been operating for over 80 years. Awarding a gaming license to Bushkill Group, Inc. would mean this area would enjoy a substantial local tax relief, increased tourism, additional revenue to surrounding businesses, and additional employment opportunities.

Bushkill Group Inc. is a company in good standing in the Poconos. The company and owners alike hold high standards for serving their guests, employees, and the community.

Thank you for your consideration.

I am writing this letter on behalf of the Tobyhanna Army Depot Federal Credit Union in support of the Bushkill Group Inc.'s Category 3 Gaming Application. Tobyhanna Army Depot Federal Credit Union has offices throughout Northeast PA, including two offices in Monroe County. The Bushkill Group is the parent company of Fernwood Hotel & Resort. I have come to know these entities well over the years. As the CEO of the Credit Union, I have participated in several events with one of the owners.

The Bushkill Group, Inc. is one of the largest resorts in NEPA. It offers both a substantial number and a substantial variety of rooms, together with a full array of amenities. I have been impressed by the level of expertise and dedication to the resort industry with the owners of the Bushkill Group, Inc. The majority of the owners have a long term commitment to the company and have nearly three decades of experience in their specialized areas. They are a hands-on management group that looks only to themselves for daily operations. Their personal expertise includes critical operations in marketing, finance, sales, development, and law.

The company is very community oriented, supportive, and responsive. Many of the company's owners volunteer their time with non-profit organizations. They offer their employees the benefit of membership in the Credit Union as part of their overall company benefits program. One of the owners is a multi-term volunteer Board Member with the Credit Union. I have participated with that same owner for years with volunteer efforts for the United Way of Monroe County.

The company and its owners have exhibited a high degree of professionalism and maintain high standards of service for their guests, employees and the community. The owners work hard to make the company a rewarding place to work, while making work enjoyable and fun.

Many of the positives to award the Bushkill Group, Inc. a Category 3 Gaming License are already well known. The addition of over 200 casino jobs and nearly 200 construction jobs will greatly affect the local community through property tax relief; State Tax contribution; overall economic development within the community; an increase in charitable giving; and further expansion of the tourist industry in the Pocono Mountains.

This company has proven to be a leader in its industry and in its community. It is a company of which people are proud. I am personally proud to support the Bushkill Group, Inc. on behalf of the Tobyhanna Army Depot Federal Credit Union and on my own personal basis. To Whom It May Concern:

I am writing this letter in support of Bushkill Group, Inc.'s Category 3 Gaming Application.

As a senior resident of Pennsylvania and as a frequent visitor to the Pocono region for 33 years I have come to appreciate its beauty, recreational benefits and convenient proximity to Eastern/Central Pennsylvania and the major metropolitan areas of New York and Philadelphia. I have also come to know several principals of the Bushkill group, in particular Mark Turner and Gina Bertucci. Mark and Gina have assembled an excellent team of professionals as part of their management group with over 100 years collectively of experience in their areas of expertise such as operations, finance, law, sales, marketing and site development.

Through many years of visiting properties that Mark and Gina managed and operated, I am confident that their many years of expertise in the resort industry and their high standards for serving their guests, employees

and the community will provide for a successful resort gaming venue.

Furthermore, as a result of the Bushkill's Group financial strength, operating experience and property proximity I believe they have the best chance of succeeding, thus providing additional employment opportunities and increased economic development revenue that should result in awarding a gaming license to Bushkill Group, Inc. The locally owned Bushkill Group has put a tremendous amount of time and effort into establishing a specific plan that will make way for a prosperous and entertaining gaming facility. They have also taken every possible measure to ensure that the implementation of their plan will not negatively impact the area in any way.

Bushkill Group, Inc. is a company of integrity in which the PA Gaming Control Board would be fortunate to have as one of its license holders. I respectfully request that this letter be entered into the record on their behalf.

Thank you for your consideration. I look forward to the new entertainment opportunities that the Gaming Control Board and the Bushkill Group will bring to our region.

Sincerely,

Dar Ms. Freeman,

I am writing in support of the Bushkill Group Inc./Fernwood Resorts application for a gaming license here in Monroe County. As the PA CareerLink[®] of Monroe County's Administrator, I have worked closely with the administration of Fernwood Resort and have found them to be very professional and supportive of our local community. Over the past eight (8) years Fernwood Resort has hosted our annual job fair (CAREER Quest) as a community service. Over 1,100 job seekers each year attend our CAREER Quest with over 80 employers and educational services on site to assist these individuals. With the unemployment rate nearing 10% in Monroe County this in-kind contribution makes this event possible.

I also presently serve as the Board Chairman to the United Way of Monroe County. Fernwood has historically contributed generously in the form of corporate donations, employee campaigns and annual golf tournaments which further exemplifies their continued support of our community.

Since Monroe County is the heart of the Pocono Mountains and Hospitality & Tourism is our major industry, a gaming license would not only enhance the Poconos tourism industry but also create much needed self-sustaining and quality employment opportunities.

It is for these reasons that I strongly support Fernwoods application for a gaming license here in the beautiful Pocono Mountains.

Kindest Regards,

John Casella

To Whom It May Concern:

As a lifelong Monroe County resident, decades-long tourism industry employee and member of a past family-owned resort in the area, I wish to offer this letter in support of the Bushkill Group Inc.'s Category 3 Gaming Application. From the beginning of gaming discussions many years ago I believed that our area needed the addition of this type of amenity to round out our offering to the vacationer, and in particular I believe this group needs to be successful in its' bid for a gaming license for this region of the Pocono's to grow and prosper.

Through my years in the resort industry in Pocono Mountains' I have worked along side many of the principals of the Bushkill Group and know them quite well. From my associated work related experiences, I can tell you that their years of expertise in the Resort industry both at Fernwood and other properties qualify them as a superior ownership and management team who will offer all of us the components for a successful resort gaming venue.

The efforts of the Bushkill Group Inc. will provide additional employment opportunities and increased economic development as a result of receiving a gaming license. This group has brought a long term plan forth with much thought and effort to make sure that all concerns are addressed. This group will offer the public a full service resort and gaming facility that will be a model for the area in every way and will offer a prosperous payback to all parties involved. I can not imagine any negative impact to the area because of the approach they have taken to address all questions.

I know the Bushkill Group Inc. to be a company of high integrity that the PA Gaming Control Board would be fortunate to have as a license holder and ask that you enter this letter into the record on their behalf.

I truly look forward to the Bushkill Group Inc. being the holder of a PA Gaming license and opening new business avenues for our region and our vacationers in the Pocono Mountains.

I am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming Application.

I am a freelance photographer who has had the pleasure of working with members of the Bushkill Group Inc. on a wide variety of projects during the past dozen or so years. I have come to know and respect them for their integrity as individuals as well as for their capabilities in business.

The coming of gaming into this beautiful, scenic region, of which I am a native, has been a sensitive issue for many of us. I write this letter of support because I believe the members of the Bushkill Group will continue to act as responsible business people as they have been for all of their years in the resort industry. The members of the Bushkill Group are mostly residents of the Pocono area and many are raising families here themselves. They have the knowledge and personal fortitude to make the best decisions not only for the betterment of their resort, but also for the welfare of the community.

I am writing this letter on behalf of Bushkill Group, Inc., the parent company of Fernwood Hotel & Resort. As a local business owner and local resident, I am very familiar with the resort as well as its owners, having worked with them for almost 15 years.

Fernwood Hotel is one of the largest resorts in Northeastern PA and offers a wide variety of rooms and amenities. Given that the owners also manage the resort, it is operated with care and professionalism.

They are one of the largest employers in the area and place a strong importance on and maintain a high level of diversity. The owners do all that they can to make the company a rewarding place to work.

As a good corporate citizen, the company gives to many charities, local as well as national. Additionally, many of the company's owners are affiliated with nonprofit organizations.

The company and its owners alike hold high standards for serving their guests, employees and the community. All of this has proven them to be a leader among their industry.

To Whom It May Concern:

I am writing this letter on behalf of Bushkill Group, Inc., the parent company of Fernwood Hotel & Resort. As the executive director of Monroe County Meals on Wheels, I am very familiar with the resort and its owners from personal experience.

In 1996 Meals on Wheels was looking for a way to raise money and Barley Creek Brewing Company offered to host a chicken wing cookoff. Our event was launched with three local restaurants and some wing enthusiasts. From then until 2003 the Wingoff was held at Barley Creek and each year it grew larger until Barley Creek informed us that they could no longer host the event because we had outgrown their premises and parking was a real problem. Just to keep the event alive the Original Pocono Pub hosted the Wingoff in 2004 but their premises were smaller even than Barley Creek's so we knew we couldn't stay there.

Fortunately for Monroe County Meals on Wheels, Fernwood offered to host the event for 2005. They have plenty of parking and their great lawn can accommodate a large number of people and wing vendors. *Fernwood Hotel and Resort has hosted our event ever since. "Hosted" means that they do almost all of the work: They handle the publicity, the setting up, inviting the vendors who provide the wings, arranging for sponsors, prizes, tents, musicians and other entertainment, frying thousands of wings, and cleaning up afterward.*

In the six years that Fernwood has hosted our event we have received more than \$65,000 from what is our largest fund-raising activity. Fernwood is a very generous neighbor to Monroe County people, not only elderly, who are unable to shop for or prepare meals for themselves. The efforts of management and staff have translated into more than 17,000 meals for people who are unable to pay for meals for themselves. We truly appreciate their generosity. I believe that they will be a responsible custodian of a gaming license.

Sincerely,

Fernwood, a locally owned resort, operating for almost 90 years has consistently worked with the owners and operators of Bushkill Falls in attracting visitors to the Pocono Mountains. Sustaining a quality product at our respective properties has made this partnership a great success.

As an employer, they are one of the largest in the area. Their employees enjoy a generous benefit package and the owners provide a safe, diverse and rewarding work environment.

It is important to note the many local and national charities they support. The frequent benefit events Fernwood hosts not only provide first-class entertainment to attendees but also significant financial support to their chosen charities.

Fernwood and its owners continually demonstrate high standards for serving their guests, employees and the community. They are a leader in the tourism industry and committed to providing premier services, accommodations and experiences.

I am a professor in the Department of Recreation & Leisure Services Management at East Stroudsburg University. Over the years our department has developed a close working relationship with the company as well as its owners. Our program has placed student interns with the Bushkill Group, Inc. on a regular basis. As a result, our students have had the opportunity to obtain "real world" experiences in the hospitality industry. A number of the interns remained with the company in fulltime positions upon completion of the internship.

Additionally, the owners of the Bushkill Group have been extremely generous with donating their time to our academic programs. They frequently host class fieldtrips and also serve as guest speakers in a number of our classes. Furthermore, one of the owners has served as an advisory council member for our program.

To Whom It May Concern:

For your consideration this letter is in support of the Fernwood Hotel and Resort receiving a Category 3 gaming license from the PGCB. This license, if awarded to Fernwood, will lead to significant and much needed local investments in infrastructure, jobs, and projected tax relief for both the local and state governments. The introduction of gaming to the Poconos is an important step in defining the future growth of our local economy which has been stagnant for many years.

As you know, the Poconos' strategic location offers significant economic growth potential to the Commonwealth. The convenience of accessibility from NJ and NY allows a very large and prosperous customer base to spend their discretionary income in PA. From the statistics I have seen, greater than 80% of Fernwood's customers are included in this out-of-state category, offering great potential growth for the Poconos as well as the state. Because Fernwood is one of the closest major resorts to the New Jersey border, The Poconos, and I would argue the Commonwealth needs to take advantage of the significant out-of-state draw that Fernwood offers.

The Bushkill Group is comprised of respected residents in our community. They are known for investing in their employees and the infrastructure of the resort, as well as giving back to the community in charitable giving. It is very clear to me that Fernwood's attainment of this license will result in additional infrastructure investments (\$250M proposed), additional jobs (looks like potential for 500), benefits for current employees, and support of local charities. A very good friend who raises money for our local hospital summed it up best in a conversation about Fernwood management. She said 'when we hold an event at Fernwood, they always upgrade (top shelf menu, beverage, facility, etc. than contracted) for **FREE and without being prompted**, and / or match community contributions when involved in fundraising events.' THAT is the kind of management the State of Pennsylvania should seek to be the steward of these strategic licenses.

I'm sure this process has been as arduous for the PGCB as it has been for Fernwood. They have been working on obtaining this license (I'm sure at great expense) for several years and I hope their persistence pays off for them, their employees, stakeholders, our community and the Commonwealth of Pennsylvania.

Sincerely,

POCONO MOUNTAINSSM

Dear Gaming Control Board,

My name is David West, I am the Vice President of Marketing and Sales for the Pocono Mountain Visitors Bureau, the official Tourism Promotion Agency for Pike, Wayne, Monroe, and Carbon counties. I am writing in support for the Bushkill Group Inc, to be selected for a Category 3 gaming license.

Prior to my position here in the Pocono Mountains, I was the marketing director for Bucks County CVB and professor of marketing for Drexel University LeBow College of Business and professor of tourism for Temple University Fox School of Business. The three areas that I would like to address are 1) The Pocono Mountains market position relative to the largest market in the United States New York City DMA 2) The non-cannibalization of the category 3 license to Mount Airy and Sands Casino 3) The importance of tourism for the Pocono Mountains.

The Pocono Mountains receives 24 million visitors over a calendar year of which a third stay overnight. $\frac{3}{4}$ of Pocono Mountains' visitors come from New Jersey, New York City DMA, and Philadelphia DMA. New York City (not including long Island) has 16.3 million adults of whom 70% are aged 25-64, 65% earn more than \$50K per year, and highly educated. The Northern New Jersey counties represent 5 million adults, of which 72% are aged 25-64, 67% earn more than \$50K per year and are also highly educated. The North Jersey and New York City area are very robust populations that the Pocono Mountains can draw from. The Pocono Mountains are 75 miles from New York City thus representing one of the shortest drives for a vacation and really captures the continually growing popularity of the staycation escape. The Pocono Mountains has a long term and sustainable relationship with the New York / North New Jersey, so that even in the worst economic conditions, the Pocono Mountains faired better than most others in the Commonwealth and across the county. In considering your decision on a Category 3 license, the Pocono Mountains shows with its proximity, market health, and sustainability to the #1 market in the US and its 9 million international visitors and growing relationship that will continue to get stronger and show superior return on investment over the years to come.

One issue that may come up is the cannibalization of our current casino at Mount Airy, and the competition from other casino areas such as those in Connecticut, Atlantic City, and the Sands in Bethlehem. Research has overwhelmingly shown that consumers respond better to clusters than not. In other words, I would venture to say that Mount Airy would perform better with a category 3 license facility in the Pocono Mountains than without. There are many many examples to draw from; restaurant chains perform

better when there is a core to chose from than loners. There is no doubt in our target market of New York City and Northern New Jersey having 7 ski areas to chose from are better than having 1 as we had record number of skier days last year (1.4 million). Today's consumer is convenience driven, and given the market size, I believe there is still an over demand for a convenient gaming experience from New York City and Northern New Jersey. Interstate Route 80 to the Pocono Mountains provides that exceptional ease of access from Northern New Jersey and New York City that gives the Pocono Mountains a great competitive edge not only for Mount Airy but also for a category 3 license. For the last several years we have experienced increases in demand to our attractions (skiing, water recreation, etc...) and lodging facilities, which provides great evidence for not only a high return on investment, but also because the Pocono Mountains are a four-season destination (fall foliage, skiing, spring and summer recreation) versus our competition.

The Pocono Mountains Visitor Bureau have a four season marketing approach that positions the Pocono Mountains as the outdoor-recreation escape for families and couples. Our marketing budget for doing so is approximately 2 million dollars. One of the great advantages of having table games is that outdoor and sport enthusiasts love the challenge of table games. In addition, one of the most common comments or say negatives that we receive is that we have a lack of nighttime activities in the Pocono Mountains. There is no doubt that having a Category 3 license facility will not only cater to our growing recreation population but also help to drive overnight business to the area, which is what creates the greatest economic impact. The New York and Northern New Jersey populations are clearly primed for not only being part of our outdoor recreation experience, but also for the challenge that table games and night time activities.

I fully support the Bushkill Group, Inc to be award the one remaining Category 3 license. Without a doubt that from both a marketing perspective and an economic impact that having a Category 3 license in the Pocono Mountains will not only contribute to our marketing efforts into North Jersey and New York City, but also add value to our mission of becoming the Mecca for Mid Atlantic for outdoor and family recreation.

Sincerely,

David West

This letter is to express my full support of Bushkill Group Inc.'s Category 3 Gaming Application.

Over the years and through various companies I have come to know the business owners. I cannot say enough about their level of commitment to their industry, employees and guests, as well as their community. When a company continually gives back to their community through services, or financial support, there is no mistaking their concern for the local economy.

As a professional involved in the tourism industry I see first hand the impact the economic downturn has in our industry. In working with the owners of the Bushkill Group I also see first hand a company that treats its employees well. The management team is committed to training and empowering employees and at the same time reinvests in its property to deliver the best experience possible to guests.

I am fully confident that Bushkill Group Inc. will execute the most responsible of plans for a gaming facility. They will put first their community and deliver a much-needed economic increase to Bushkill and surrounding towns.

Bushkill Group Inc. has proven itself to be a company of integrity. The PA Gaming Control Board could rest assured that awarding a Category 3 Gaming License to this company would put it in the hands of responsible, community oriented owners.

Thank you for your consideration.

To Whom It May Concern:

My name is Alicia Quinn, and I am the Director of Public Relations for the Pocono Mountains Visitors Bureau (PMVB), the official destination marketing organization for the counties of Carbon, Monroe, Pike and Wayne in northeastern Pennsylvania. I am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming Application, as I am quite familiar with the resort as well as its owners.

The PMVB represents the tourism, visitors and hospitality industry in the Pocono Mountains region. Through my position here at the bureau, I've had the great pleasure of both working and promoting this responsible and locally owned resort. Fernwood is a 440-acre four-season resort located in the Pocono Mountains offering 18 hole golf, indoor and outdoor pools, live entertainment, themed restaurants, horseback riding, daily scheduled activities, trips to attractions including The Crossings Premium Outlets and Bushkill Falls, massages, a fitness center, bumper boats, hiking in the nearby Delaware Water Gap National Recreation Area, canoeing on the Delaware River and miniature golf.

The Bushkill Group continually gives back to the community and provides substantial employee benefits to its over 500 employees. The majority of the principals have each spent over 27 years in their areas of expertise (including operations, finance, law, sales, marketing and development) work in the daily business operations. I am confident that their years of expertise and their high standards for serving their guests, employees and the community will provide for a successful resort gaming venue, as employment will increase, local property tax relief will be possible and overall visitation to the region will increase with the buzz generated, stimulating a growth in economic development. It will be an extremely important part in the revitalization of the tourism industry in the Pocono Mountains region.

The company has put a tremendous amount of time and effort into establishing a plan that will make way for a prosperous gaming facility. They have also taken every possible measure to ensure that the implementation of their plan will not negatively impact the area.

Bushkill Group Inc. is a company of integrity that the PA Gaming Control Board would be fortunate to have as one of its license holders. I respectfully request that this letter be entered into the record on their behalf.

Thank you for your consideration. I look forward to the enhanced opportunities that gaming will bring to our region.

I wanted to take this opportunity to speak on behalf of Bushkill Group, Inc. and their application for the Category 3 Gaming Application.

I am 72 years old, been in the construction business in this area for over 50 years. I can honestly say that during those years I have never seen our area in such economic distress. Understandably the economy has taken its toll everywhere but our area was always known as the resort area and thanks to the dedication and continued effort the Bushkill Group Inc., they have maintained the highest standard for their guests and our area. With economic development at its lowest, the opportunity to Bushkill Group Inc. obtaining this license could generate jobs and provide the desperately needed local property tax relief. They have the initiative to implement their plan and provide a positive impact in our area which is tremendously needed.

Thank you for giving me the opportunity to speak on behalf of the Bushkill Group Inc. I would like to request to have this letter entered into the record to show support for their organization. I look forward to having gaming in our area in the future.

I would like to take this opportunity to offer a formal recommendation and my support of the Bushkill Group Inc.'s Category 3 Gaming Application.

I am a local resident of Monroe County for over 50 years and know the owners personally and professionally. I am also acquainted with numerous staff members and believe this group exhibits many of the qualities that are essential to running a successful resort gaming venue and confident that their years of experience in the resort industry proves this.

This company offers top-notch service to the visitors of the area as well as the local community. Gambling in this area can be extremely successful because it will stimulate the economy, increase tourism to the area and reduce unemployment. The tourist will spend more time and money within the region and local residents who used to travel outside the region can now stay close to home.

Bushkill Group, Inc. (and its predecessor Resorts USA) has been a propane customer of National HydroCarbons (NHP) since 1994. Based upon our long-term knowledge of the corporation, its principals and management, and the integrity and sound judgment they have exhibited, we strongly and without reservation support the Bushkill Group's Category 3 Gaming Application.

My associate and I own and operate NHP, and have since its inception in 1993. Prior to NHP's formation we each had long careers in various segments of the petroleum and propane business. Knowing that the owners of the Bushkill Group manage the operation with a "hands-on" approach, and personally care about their employees and customers, coincides with our view of business management. The management philosophy has exhibited honesty and reliability, which has been extended to their suppliers. To put it bluntly, Bushkill Group is a wonderful customer and has been for seventeen years.

Bushkill Group's concern with business and customers also extends to the community. Each year they sponsor the Annual United Way of Monroe County Golf Spectacular, with all proceeds going to support causes for the less fortunate in their area. NHP participates in the event by sponsoring several holes for the tournament. We share the outlook of the Bushkill Group, in that some portion of profit margins should result in "giving back" to the society that affords us the opportunity to own and operate a business.

A gaming amenity will enhance the value of the facility to guests who will have the opportunity for fun and entertainment that this addition will provide. On a personal basis, my wife and I own several timeshares at various places in the country and know the value of on-site amenities.

Many thanks for allowing us to present our views of the Bushkill Group as they seek a gaming license for their resort. Granting the license will not only be welcomed by the guests, but the creation of additional jobs and the generation of more taxes will be a significant positive for the community. We presented a letter on behalf of the Bushkill Group in August 2007, and continue to believe that granting a gaming license will be to the benefit of the area, employees and guests, truly a "win-win" for all concerned.

Sincerely,

J. A. (Al) McConnell

RE: Fernwood's Proposed Casino
Middle Smithfield Township
Monroe County, PA

To Whom It May Concern:

My name is Davis R. Chant, founder of Davis R. Chant Realtors in Milford, Pennsylvania in 1964. I have been active in practicing the real estate brokerage profession in the Poconos and throughout Northeastern Pennsylvania for 46 years.

I am very familiar with the Fernwood Resort and their plans for the development of a Category 3 Casino facility at the Fernwood Resort in Middle Smithfield Township, Monroe County, PA.

The reason for my writing is to bring to your attention the importance to Pike County and to Monroe County of bringing new jobs to our area. For most sincerely, the resort business has suffered tremendously because of current economic conditions.

The Pocmont Resort closed last October and it is less than 3 air miles away from the Fernwood Resort and over 160 jobs were lost there plus the trickle down effect of additional jobs that may have gone over 200.

The Fernwood project is for all purposes shovel ready as soon as the paper work is completed. They have their financing in place through the Penn National Gaming, Inc. Company and accordingly, this would mean from what I understand at least 180 onsite construction jobs.

Once the Fernwood Casino facility is finished, there will be 360 or more new casino employees, which is spectacular, and will so help to give opportunities to those that lost their jobs at the Pocmont Resort last October.

The Fernwood Resort is in a perfect location for exposing visitors from New York and New Jersey who travel along US Route 209 where they will be passing many other businesses that will benefit from the visitors to the Fernwood Casino. There are 30 million people living within a two hours drive.

Last but certainly not least, it is my understanding that the gaming revenue will provide over \$50 Million in tax revenue.

The team at The Bushkill Group is top notch and will do a wonderful job for the Fernwood Casino.

Licensing this facility at the earliest possible date is extremely important to all of us in Pike and Monroe Counties and I thank you for your most kind consideration of my comments.

Sincerely,

Re: Bushkill Group, Inc.
Fernwood Hotel & Resort
Category 3 Gaming Application

Dear Chairperson:

I am writing this letter in support of Bushkill Group, Inc. As a community leader, 2008/2009 United Way Campaign Chair, and 2009/2010 Chairman of the Board for the Greater Pocono Chamber of Commerce, I have come to know the company as well as its owners and I have seen their support of non-profits and the community in general. Their management and staff are community minded and contribute significantly to the quality of life in the Poconos. This is why I trust they will ensure that the implementation of their plan will not negatively affect our area.

In this time of financial difficulty, the addition of this amenity to Fernwood Hotel & Resort would benefit this region greatly with additional employment opportunities and much needed local tax. Bushkill Group, Inc. is a company with strong ethics and I would urge you to consider them as a license holder and request that the PA Gaming Control Board enter this letter into record on their behalf.

Please feel free to contact me if you have any questions.

Sincerely,

I am writing this letter to support the efforts of the Bushkill Group, parent company of Fernwood Hotel & Resort, to obtain a Casino License.

I know the owners, as well as their staff, and have served with them as a volunteer with some of our charitable organizations. The people at the Bushkill Group are very generous to our community in many ways.

The Granting of a license to the Bushkill Group would be beneficial to our entire area.

The school tax relief alone would ease the burden for many of our struggling families and seniors.

As a business owner and a neighbor to Fernwood, I can attest to the economic boost a Casino would bring, and it is a boost our residents truly need.

In closing, I want you to know that I send you this letter with the full confidence that the owners of Fernwood Resort will do a tremendous job if given the opportunity, while at the same time look out for the interests of the people in our community.

Very Truly,

Dear Sirs:

The Bushkill Group has been a valuable member of our community for many years. As an active member of the non-profit world, I always know that they will assist whenever something is needed.

It is always a pleasure to feel confident that the organization is concerned about the financial needs of the Poconos. Being granted a Category 3 gaming license for the Fernwood Hotel and Resort will provide badly needed additional jobs and help maintain the vitality of the resort.

Because of the resort's proximity to New Jersey and New York City, it is a constant and reliable source of income, benefiting both the local economy and the state.

I strongly recommend that the Bushkill Group and Fernwood Hotel and Resort receive the Category 3 gaming license.

To Whom It May Concern:

This letter is written in support of Bushkill Group Inc. and their Category 3 Gaming Application for the Fernwood Hotel & Resort facility located in Bushkill, PA.

I am a local resident and as such, I have many positive experiences and opinions of the company, their facility and their staff. I have been to the resort many times, and each time I have had a very pleasant experience. The facilities and amenities are well maintained and distinctive and are also easily accessible to the local community. The staff has always been courteous and efficient, and the owners are always personable and invariably helpful. As the owners also manage the resort, they are also involved in the day-to-day affairs and strive to give their guests the best possible experience during their time at the resort.

From a professional and employment perspective, the Bushkill Group provides many employment opportunities with good pay and benefits for local residents. And as a well-established company in the area, they also benefit the local community by giving back and participating in local programs that benefit the area both financially and environmentally.

In support of the gaming license, the facility is located in a prime location to draw out-of-state revenues from both New Jersey and New York. In addition to the points listed above, the gaming license would also provide more jobs for the local populace and benefit other local businesses.

In closing, I think very highly of the company, its owners and employees and wholeheartedly support their application for the gaming license.

Sincerely,

U.S. Foodservice, Inc. – Allentown Division (“USF”) is writing this letter in support of Bushkill Group Inc.’s (“Bushkill”) Category 3 Gaming Application.

As a local vendor who has partnered with Bushkill, USF has developed an incredible working relationship with Bushkill, as well as its owners. Because of our continued working relationship, USF can attest to Bushkill's expertise in the industry, and the values and principals they exhibit in serving their guests and community will certainly provide for a successful resort gaming venue.

Bushkill has made a herculean effort of establishing a plan that will make way for a prosperous gaming facility. They have also taken every possible measure to ensure that the implementation of their plan will not negatively affect the area. In fact, we are confident, by awarding a license to Bushkill, the region will benefit from the creation of critical new employment opportunities and increased economic development.

USF has found Bushkill to be a company of integrity that the PA Gaming Control Board would be fortunate to have as one of its license holders. USF respectfully requests that this letter be entered into the record on Bushkill's behalf.

Dear Board Members,

Please accept this letter in support of the Bushkill Group in their endeavors to secure the Category 3 gaming license.

Being a former employee of Resorts USA, which is now operating as the Bushkill Group, I can personally attest to the integrity and abilities of the operating partners of the Bushkill Group.

As a regional manager for Resorts USA I had the opportunity to work closely with the corporate office in Bushkill and interact closely with a number of the present operating partners of the Bushkill Group.

This being the case I can with clear conscience state that the operating partners of the Bushkill Group are an exceptional group. They have shown and displayed a great respect and appreciation for both their employees and customers. Given the opportunity to expand their operations in the Bushkill area can and will benefit the gaming industry as well as the local economy. They have shown by their past actions that they take pride in their company and how their company is perceived in the public eye.

In closing I am confident that if given the Category 3 gaming license the Bushkill Group will do everything within their power to be sure that their operation will continue to be second to none.

Gentlemen:

I am aware the Bushkill Group has applied for the remaining Category 3 gaming license in Pennsylvania.

The Bushkill Hotel and Resort has been a most successful business enterprise for many years and it is a valuable asset to the Community. It is a most reputable business which has manifested service and fairness to its clientele.

I strongly support the Group's application and urge you to give it very serious consideration. From my perspective its location and proximity to New York and New Jersey serves as ideal franchise to attract clientele from those states as well as from northeastern and southeastern Pennsylvania. Such a gaming venture if granted will enhance employment opportunities for area residents as well generating much needed additional taxes for the area.

Again I need to stress the importance of Fernwood's location. Presently a significant number of its clientele is from New York and New Jersey and I would assume a gaming operation at Fernwood would entice and attract many more people from those states to utilize such a facility.

Thank you for your consideration. Should you have any question please feel free to contact me.

In our relationship with them we have found that they are a responsible business organization with a competent work staff. I was the local morning man for the Area Radio station for over 17 years, and in that time I have had many occasions to work with & be around the people of Fernwood & the Bushkill group. Not only is there business professional, courteous, & always willing to go the extra mile to make anything a success, they are just great people - Community people. They live work & are very active in the Area.

I myself have been involved with many Charities & civic events. Fernwood always always helped out in any way they could to make sure the people of the Community were taken care of.

I Can never remember a time that I came
to them when I needed help with a charitable
event that they did not jump in with all
they had to help out.

Members of Pennsylvania State Gaming Commission,

My name is Mario Lima and I am a resident and a small business owner in Middle Smithfield Township. I am in strong support of Fernwood Resort receiving a gaming license. If Fernwood Resort were to receive a gaming license, they would provide employment for dozens of people in a job-starved area. The increased revenue Fernwood would generate would help with our property taxes as a significant percentage of those funds would be given back to our township. The money generated would also assist to ease the burden on the taxpayers in this county, making it beneficial to the community. Monroe County, where Fernwood Resorts is located, has some of the highest property taxes in the entire Commonwealth of Pennsylvania.

The gaming license would also serve to attract more customers to the resort; providing a greater number and diversity of guests would serve to further stimulate the economy of Middle Smithfield Township though Fernwood itself and other local business which these guests would utilize.

Allowing Fernwood Resorts to obtain a gaming license would do a great deal of good for this area and it is in the best interests of the people of Monroe County. Fernwood is a very family-oriented resort with a historical commitment to the community by donating funds to various social service and non-profit organizations which provide for and support local residents.

Thanks

Dear Board Members:

I am a 34 year resident of Middle Smithfield, the municipality where Fernwood Hotel & Resort is located.

I am strongly endorsing Bushkill Group's application for a gaming license at the Fernwood Resort. Their management team is top notch. Currently operating a very successful hotel and time-share program year-round offering many amenities to their guests. The team has had decades of experience in the resort and recreational industry which is passed onto their numerous employees that work in the company operations.

Employees are encouraged to move up in positions from within the organization, which in turn produces a pleasant work environment that would surely extend to the casino's patrons.

The Bushkill Group works very closely with their local community in sponsoring charitable events at the resort, helping those in need. They are huge supporters of the local Fire/Rescue/Ambulance services and are willing to provide assistance during emergency situations.

Location is ideal. The resort is easily accessible from many directions. Travel distance from the New York/New Jersey area makes it a very desirable location and would add increased business for the neighboring merchants.

The Bushkill Group would be able to add new jobs to their facility plus provide needed

property tax relief for the community. The local housing construction trades and real estate market which is now struggling from a record number of foreclosures, would benefit greatly from granting them their requested gaming license. Establishing a casino at the Fernwood Hotel & Resort, would become a very desirable destination for the many vacationers from the surrounding states that are considering the Pocono Mountains.

To Whom It May Concern:

I am writing this personal letter on behalf of Bushkill Group Inc., the parent company of Fernwood Hotel & Resort. As the telecommunications representative of Bushkill, I am very familiar with the resort as well as the leadership team.

As a company, it is one of the largest resorts in Northeastern Pennsylvania and offers a substantial variety of rooms and amenities. The Resort is run by the owners; it is extremely well run and is operated with utmost care and professionalism. My church recently had our annual Men's Retreat there and had nothing but positive things to say about the resort and the hospitality that they received; I am positive that they will be returning next year.

I understand that as an employer, they are also one of the largest in the area and provide one of the most generous benefit packages. They also place a strong importance on and maintain a high level of diversity. The gaming license would allow the resort to positively impact the local community and economy by the creation of an additional 360 casino jobs, additional resort jobs and at least 180 construction jobs. Additionally, it would allow for an increased state tax contribution of over \$46M from the casino operation and an additional \$5M from resort operations.

As a good corporate citizen, the company gives to many charities, including the hosting of the annual Golf outing for the United Way. This event is the single largest fundraising event for that region and year over year, in spite of the economic conditions, Bushkill has been able to grow sponsorship and participation; this certainly speaks to the character and dedication of the owners as well as the corporate climate of giving back that they foster. The gaming license would allow them to increase charitable contributions.

The Gaming License should be granted to a location that has the largest potential to make the biggest impact on the economy and to the business that can manage the growth that the license will bring. I believe that Bushkill Group Inc. is that company. The majority of the principals have spent 27 years in their fields of expertise to include operations, finance, law, sales, marketing and development. This award winning team has the ability to manage the new responsibilities that will come along with the license. All of the items outlined clearly show that Bushkill Group Inc. is a proven leader in the hospitality industry and is an organization for which people should be proud to be a part.

I can't think of a better, more deserving company to grant the Gaming 3 license to in the state other than Bushkill Group Inc.

Thank you for your consideration.

Sincerely,

Dear PA Gaming Control Board,

I am writing this letter in support of the Bushkill Group Inc. and Fernwood Hotel & Resort for obtaining the remaining Category 3 gaming license in PA. I graduated from East Stroudsburg University with a degree in Recreation and Leisure Service Management, which allows me to recognize the benefits of offering a diverse variety of amenities and recreational programs. I believe that the Bushkill Group would use this opportunity to enhance the quality of their entire resort operation, which would help increase tourism in the Pocono region.

I have had a working relationship with all of the owners of the Bushkill Group and I am proud to say that I was a part of their team. Customer care and employee development were always strengths of this group. Support of the local community was important and I know as the company grows that community support will continue to grow, as well as employee growth and new employment opportunities for the area residents.

My family enjoys winter vacations at Fernwood Hotel & Resort. Many travel for several hours to meet each year to enjoy the facilities. The addition of the gaming license would only further enhance the enjoyment and experience my family and hundreds of other families would have at Fernwood.

I feel strongly that this company and group of owners deserves to receive this license; they would handle this opportunity with great respect for the local community. If you need additional information that could assist in solidifying Fernwood receiving this license, please don't hesitate to contact me at (717) 572-8579.

Dear Board Members,

I write today in support of a qualified entity to receive a category 3 gaming license. I have been associated with Bushkill Group Inc. for several years as a consulting contractor. I consider myself a person of strong character, with good values that drive my judgement in all areas of my life. The principals of the Bushkill Group emulate many of these similar qualities which I deem a great fit as they seek to add another amenity to the family resort here in Bushkill.

The challenge to intertwine the family resort with a gaming entity on a single property is something that needs to be approached with a vision driven by qualities of good character and admirable values. This is where the Bushkill Group Inc. will become an exemplary model for not only the Pennsylvania gaming industry, but across state boundaries as well.

During my years of association with the Bushkill Group I have witnessed community involvement unparalleled by other establishments. I believe whole heartedly that the success of this gaming venue here in Bushkill will further foster quality community concern and support.

In closing let me say, I am proud to remain involved with the Bushkill Group Inc. Not simply because it is a means of support for myself and my family, but more importantly, I feel all of us here in Pennsylvania need to make decisions that support underlying values of good character and embrace people that are willing to stand up for the same, I am proud to stand with them. To all Board members, please consider the qualities I have spoke of in your decision for the good of Pennsylvania.

Sincerely,

To Whom it May Concern,

I am writing this letter to express my strong support that Fernwood Resort be awarded the gaming license in this area of the Pennsylvania Pocono Region. I have, as a business person from this area, had the pleasure over the past 5 years of engaging in several successful entertainment ventures with this establishment. Fernwood Resort, because of their consistency with great customer service, has developed a solid customer base of people from diverse walks of life who continue to come back to their favorite vacation spot.

Fernwood Resort is in a prime location, a short drive from interstate 80 and close to the New Jersey border, bringing in many customers from the tri-state area and beyond. Receiving the casino license would only enhance the appeal to this resort destination that has always maintained top quality service. In addition, this will create a welcome influx of more customers for the many great local businesses in the area.

The casino license being awarded to Fernwood Resort would no doubt add the much needed job opportunities for the homeowners and tax payers of this and the surrounding area and hopefully help to lower the real estate taxes as well.

My experience with the Owners, Management and staff members of Fernwood Resort has always been one of professionalism and integrity.

As Fernwood Resort has had application in for some time for the opportunity to be awarded this casino license, and this could very well be the last chance, this organization's many years of experience in the Resort and Recreation Industry as a firmly established resort, in addition to their many other amenities, dedicated employees, generosity to the community to name a few, should place this Organization at the top of the list.

I thank you for your time and look forward to The Fernwood Resort Organization receiving the well deserved award of the casino license.

Respectfully,

Peter Carver, President Carver Entertainment Group

To Whom It May Concern,

I am writing on behalf of The Bushkill Group/Fernwood Hotel and Resort. I am a native of Monroe County and I was born and raised in the Pocono Mountains. I have seen firsthand the growth and expansion of the area, and all for the better I might add! The area is beginning to obtain many national stores, restaurants and other area attractions. A casino at the Fernwood Hotel and Resort would be a great addition to our area. It would bring many much needed jobs, it would help to alleviate taxes and it would provide an even greater growth opportunity for the Poconos. Fernwood Hotel and Resort is already an attraction site for both local residents and out-of-towners. They host events to support and fundraise for local businesses and they have been a part of the Poconos history for many generations. I cannot think of a more suitable and well established business to obtain the Category 3 Gaming License and pave the way for success and development for the surrounding area.

Sincerely,

Kelly Gallagher

I think it would be great to have a gambling at the Fernwood Resort.

The Fernwood Resort has a fantastic reputation for bringing the best to the area.

It has brought many jobs and people to the area which has helped the economy overall.

If there is gambling at the Fernwood, it would increase the amount of jobs available for the population in the area, Helping many other businesses to prosper in the long run.

With the economy in such despair, the jobs that would be generated from gambling at the Fernwood would only be a positive move in the right direction.

The Fernwood Resort has always brought the best in entertainment to the surrounding towns for adults and children alike.

I can't think of any reason for there not to be gambling at the Fernwood Resort it can only do great things.

To Whom it May Concern:

I am writing this letter to convey my thoughts concerning the possibility of the Fernwood Resort receiving a gaming license. As a local resident, located just a short distance to the resort, I feel this added amenity to Fernwood Resort would greatly benefit the local economy and our community.

I feel Fernwood Resort would be a prime location for gaming. Just a short distance from New York and New Jersey, an abundance of patrons would make the journey on top of the normal business Fernwood usually experiences. With this increased business comes a variety of benefits. One, more local business would flourish tremendously. Two, with more influx of patrons comes more jobs for both Fernwood and local businesses. Three, lower property and school taxes for the community which would greatly help the ailing local economy and induce more spending. Finally, charitable organizations would benefit since Fernwood is one of the most charitable resorts in the state.

In closing, I feel this process of applying for a gaming license has been nothing short but frustrating and time consuming. Fernwood has been trying to receive this license for years now and it looks as though this will be their last chance to be awarded the license. Our community and Fernwood Resort humbly request this license to help the resort and our decreasing economy.

Thank you for taking the time to read my thoughts.

Sincerely,

George B. Oddo Jr.

Dear Sirs/Madam:

It is with great pleasure that my companies, Steckel Publications, Inc. and BAR Publications, Inc. recommend The Fernwood Hotel receive accreditation for a PA Gaming License.

Given the current economic climate, this added amenity to Fernwood resort would create more good jobs which would be critical for the area. With it's prime location to the Pocono area, Fernwood Resort would also draw more out of state customers. This would not only benefit Fernwood itself, it would also benefit the surrounding small companies with possible new customers.

I have been in business for 20 plus years in The Pocono area and my companies have always had a great relationship with Fernwood Resort. I have witnessed the outstanding generosity and support of the resort throughout my years and it's experience within the resort industry two-fold. There is no other resort I would recommend for this gaming license. The time is now to say yes to Fernwood Resort.

Kind Regards,

To Whom It May Concern:

I am writing this letter of support on behalf of Bushkill Group Inc. and Femwood Hotel & Resort. As a local business owner, I am very familiar with this organization as well as the management.

We are proud to have them located in Northeastern Pennsylvania and they offer a superb variety of rooms and amenities. Their community involvement, diverse business background, and high standards for serving their guest as well as their employees will ensure a successful gaming venue in our community.

Northeast Pennsylvania as well as the PA Gaming Board would be fortunate to add this entity to the list of license holders. I request that this letter be entered into the record on their behalf.

I am writing this letter in reference to Bushkill Group, Inc.'s Category 3 Gaming Application.

I am currently a resident of Bushkill and have been for over 12 years. I have been acquainted with the owners of Bushkill Group for over 6 years. I truly feel that by granting the Bushkill Group this license you would aid in giving our area the economic boost it needs. The increase in jobs, tax revenue, and tourism would greatly benefit Bushkill and the surrounding areas.

One big advantage I feel that Bushkill Group has is its integrity. Bushkill group is comprised of professional individuals who have high business ethics, give back to the community, and are the most caring business owners I have ever encountered.

Fernwood resort is located in a beautiful setting and provides many amenities for its guests. Bushkill and the surrounding has so much to offer tourists, Bushkill Falls, The Delaware River, Skiing, just to name a few. It is truly a year round place to enjoy! I believe adding gaming would be a welcome addition to the amenities our area has to offer.

Bushkill Group has put considerable time and effort into bringing gaming to its resort. I know that I speak for many when I say their hard work and dedication should be rewarded by being granted the Category 3 Gaming License.

Thank you for consideration. I hope I will be able to experience the opportunities that gaming will bring to our area.

- On behalf of the Pocono Arts Council (PoconoArts), I would like to take this opportunity to support the Bushkill Group, Inc. and Fernwood Hotel & Resort in their request for a Pennsylvania Category 3 gaming license.

Fernwood has been a long-time supporter of the Pocono Arts Council, as well as the arts in general in the Pocono Community. Thanks to the Bushkill Group, PoconoArts currently hosts a public gallery in Mama Bella's Tuscan Grille that exhibits the work of local artists on a rotating basis. Fernwood also supports not only PoconoArts, but many of its member organizations, both financially and with in-kind services. Finally, they provide their guests with information on local arts events, which creates increased economic activity in the region.

The Bushkill Group and Fernwood Hotel & Resort have always been an integral part of the Pocono community. I hope you will look favorably upon their request for a gaming license.

Board Members,

I am writing this letter in support of Bushkill Group, Inc.'s Category 3 Gaming Application.

I have had the pleasure of serving as the President of the United Way of Monroe County, and the Pocono Family YMCA. I currently serve on the Board of directors of both Organizations as well as on the Board of the Pocono Mountains Chamber of Commerce. Living in the Poconos and working as a Commercial Loan Officer for over 35 years I have witnessed first hand the unconditional financial and time commitment the Bushkill Group and its owners have made to the Monroe County community and the Resort industry. They are a crucial component to the on going success of the Pocono's.

Over the last 10 years the United Way Golf Spectacular held annually at the Fernwood Golf course has raised over \$200,000 towards its annual Campaign. This is only made possible by the gracious donation of the Golf course for the event and permitting key company employees to donate their time to make this event a great success. The Chief Legal Council, head of Purchasing, Director and Manager of Financial Services and the Golf Course Manager put in many hours of preparation. Combined with their annual corporate financial support and Employee Campaign the Bushkill Group, Inc. continually ranks among the top 5 businesses every year in the total dollars given to United Way. Employees also donate hundreds of hours of approved paid time off each year participating in the Annual United Way Day of Caring assisting local nonprofit social service agencies. Andrew Worthington, President of the Bushkill Group, Inc. as a member of the Pocono Family YMCA Board of Directors provided tremendous personal assistance and guidance when the Y faced a financial catastrophe due to mismanagement. Because of his support and allowing his company's employees to assist in this crisis the Y is now able to continue it's commitment to child services and the well being of the Pocono Community. Kevin Lavelle, Chief Financial Officer and family have a long history of financial and personal support to the American Cancer Society.

The owners of the Bushkill Group, Inc. are the most experienced group of Resort professionals in the state each having over 25 years working knowledge in the industry. They have developed a well thought out plan for a successful gaming facility that will pay dividends to our community and the State of Pennsylvania. Providing employment to hundreds of area residents and recreation facilities for tens of thousands of timeshare and Hotel guests this company is vital to the success of the Pocono resort industry. Their successful gaming application will allow this success to be multiplied many times over.

Very truly yours,

Anthony F. Konn

To Whom It May Concern:

I am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming Application.

As a frequent patron of Fernwood Resort, I have come to know many of the employees, as well as the owners of the company. I have had nothing but positive things to say about the company.

To begin with, I appreciate the fact that the company is well established and locally owned. The owners have ties to the area and are committed to improving and giving back to the community. For instance, last year I participated in a golf tournament to raise money for a state trooper who was shot and killed in the line of duty. This is only one example of the many ways they aim to serve the community. In fact, I fully believe the Bushkill Group has taken every measure to ensure that this gaming license will not have a negative effect on the community. Actually, it would have the opposite effect by providing a countless number of jobs and boost local businesses.

Secondly, I believe it is one of the best resorts in the area due to the extensive amenities it has to offer. Before I began visiting the resort, I never really knew how large the resort was. After playing golf on the challenging 18-hole course, I experienced the magnitude of the resort. The front nine wraps around some of the resort amenities, such as the club house, horse stable, snow tubing hill and basketball courts, while the back nine weaves in between the 906 rooms they have to offer. As a father of three, I have also had an opportunity to bring my children to many of the events they host. The Wing Off, snow tubing, fireworks, and the many small carnivals are just a few of the events that my kids love to attend.

I have been a supporter of the Bushkill Group Inc. for more than ten years and know the amount of hard work, time and energy the owners spent applying for this license. The owners are seasoned with impeccable personal and business records. As a frequent patron of Fernwood Resort, I would like to thank you for taking the time to read my letter of support and hope that you choose the Bushkill Group for your Gaming License. I encourage you to spend some time at the resort so you can see first hand the opportunity here. It would be a perfect complement to your other gaming locations. I respectfully request that this letter be entered into the record on their behalf.

Re: Bushkill Group - Fernwood Resort & Casino Application

Dear Chairman Fajt and Members of the Pennsylvania Gaming Control Board:

I appreciate the opportunity to support the Bushkill Group's Application for the Category 3 License.

I am a resident of Pocono Township, Monroe County. I am an Attorney, past President of the Monroe County Bar Association; past Chair of the Monroe County Planning Commission and member of the Executive Committee of Monroe 2020 - the county wide planning process which resulted in the adoption of the current Monroe County Comprehensive Plan by the County Commissioners on June 30, 1999.

The Monroe 2020 planning process from its inception in 1996 focused on accommodating anticipated growth in an environmentally and fiscally responsible fashion. Commercial development as an expansion of the property tax base of the county and municipalities is seen as the key to relieving the property tax burden on the residents. The vision of Monroe 2020 included a focus on the expansion of existing enterprises and centers which can or are served by utilities and transportation networks and the redevelopment of existing underused or obsolete uses. A prominent feature of the Monroe 2020 vision is the expansion of local job opportunities for the resident work force to reduce commuting to the metropolitan area. The application of the Bushkill Group falls clearly within the Monroe 2020 vision in all respects.

Monroe County and Pike County have unemployment rates that continue to rise and as of June 2010 are in excess of 10%, higher than that of the other applicants' home counties. Home foreclosures have continued to rise each year since 2005 reaching 1500 in 2008 and 1908 in 2009. Based on current foreclosure filings, the Monroe County Prothonotary has projected that they will reach almost 2,200 in 2010 - 4 times the level of 2005 - only 5 years ago. Unemployment and home foreclosures are inevitably linked - only by addressing unemployment can the area affectively address the foreclosures.

In addition to the high unemployment, there is an additional factor weighing heavily on those Monroe County residents who are employed. According to the U.S. Census Bureau's just released American Community Survey, Monroe County residents have the longest travel time

from their homes to their jobs, a mean travel time of 38.1 minutes, which is over 50% longer than the national average and over 35% longer than any other surveyed county in Pennsylvania. In addition, as reported in the Pocono Record on October 5, 2010, 15% of Monroe County Residents commute over 90 minutes to work which is 50% more than the percentage of Athens County, Texas which with 10% has the next highest percentage in the nation. The national average is only 2%.

The awarding of a license to the Bushkill Group will give the local economy a badly needed boost. It will bring new jobs to the area, generate additional taxes, and help with growing the very important tourism industry. According to the Monroe County Planning Commission, 35% of the land in Middle Smithfield Township is tax exempt federal, state or charitable land. The Township and County as well as the East Stroudsburg School District need increased commercial tax rates such as this facility to relieve some of the tax burden from the residents.

My practice has concentrated over the last 36 years in the real estate and resort industries. I am a lifelong resident of the Pocono Mountains having grown up in neighboring Pike County and have resided in Monroe County for most of the last 30 years.

I have known or worked with most of the shareholders of the Bushkill Group for decades and can vouch for their honesty, professionalism and business expertise. They are recognized for their benevolence and for "doing what is right" and have deep rooted ties to their employees and this community.

Their dedication to their business and this application process is reflected by their continued pursuit of your approval despite changes in the gaming legislation that made it possible for other businesses which had previously withdrawn from the process to reapply – a second bite at the apple. Because of these changes in the legislation, if they do not receive the license now, they will not be able to reapply because of the changes in the gaming legislation. This is it for them whereas other applicants will have an opportunity to reapply.

In my years of experience in law, real estate and the resort industry, I have known many business leaders and can safely say you will be well represented by this group of hard working, experienced individuals. I urge you to send a message to the residents of the Commonwealth that hard work and perseverance can, should and will be rewarded.

Sincerely,

Charles J. Vogt

Re: Bushkill Group Inc. and Fernwood Hotel and Resort Category 3 Gaming License
Application

Dear Honorable Fajt and Board Members:

Good morning everyone. I thank the Chairperson and all of the members of the Pennsylvania Gaming Control Board in providing the opportunity to allow for public comments at today's Bushkill Group Inc. and Fernwood Hotel and Resort Category 3 Gaming License Public Hearing.

My name is Jim Rienhardt - former CEO/Exec. Dir. (2001-2009) of the nationally recognized Pocono Environmental Education Residential Center (PEEC), and past Senior Manager of the National Park Service for 25 years. Today, I am writing as a Professional Consultant and as a National leader in the Leisure/Tourism Industry.

I wholeheartedly support the Bushkill Group Inc. and Fernwood Hotel and Resort facility to be approved for 600 Slot Machines and 50 Table Games. I respectfully ask that the Pennsylvania Gaming Control Board approve the Bushkill Group, Inc. and Fernwood Hotel and Resort Slot Machines and Table Games Category 3 Gaming License Application and subsequently be granted a Permit accordingly.

During these challenging economic times, businesses constantly have to face tough and difficult decisions relative to spending and investment priorities. Bushkill Group Inc. and Fernwood Hotel and Resort's Leadership & Management Team has accomplished just that. They also have a proven track record in offering a superior multi-faceted Tourist destination, with award winning amenities, for the Greater 7 County Pocono Region and the Commonwealth of Pennsylvania!

By approving and granting the Bushkill Group, Inc. and Fernwood Hotel and Resort Category 3 Gaming Permit, it will obviously generate additional tax revenues for property tax relief, as well as increase the amount of dollars to be dedicated to community-based economic development projects. These additional Tourism Dollars will also have a direct positive economic impact on generating many new jobs for the Greater Pocono Region. Perhaps equally as significant, Bushkill Group and Fernwood Hotel and Resort's leadership has already developed a track record of financial giving to many non-profit community-based organizations throughout the Pocono Region. Some, no doubt, you have heard from, or will hear from today. PEEC was an early recipient of a financial contribution as part of Bushkill Group Inc.'s "Give Back to the Community Program". As

such, thousands of school children from New York City, New Jersey and Pa. were provided a program that otherwise wouldn't have taken place!

Fernwood Hotel and Resort is the best positioned Resort in Northeast Pennsylvania to increase Tourism Dollars to this Region from New York City, northern New Jersey and Pennsylvania!

It is now time for them to be allowed to expand their venue to include Slot Machines and Table Games, so the citizens of Pennsylvania and the Commonwealth can reap the benefits!

Thank you for your time and diligence in rendering this very important decision.

Sincerely,

Re: Category 3 gaming license

To Whom it may concern:

This letter is written in support of the application submitted by Bushkill Group and Fernwood Hotel & Resort for one of the remaining Category 3 gaming licenses.

Fernwood Hotel & Resort has a long standing history of providing employment opportunities and entertainment to those near and far. As a homeowner in the community, I believe this would a great addition to the resort. It would provide employment opportunities, attract additional tourism and possibly offset our taxes. I spent a great deal of time with our members this past summer and know for a fact that they are looking forward to this next era of the Fernwood.

In conclusion, I feel that since Fernwood has been an integral part of our community since the 1920's, it would be the best place for the remaining gaming license.

I am a local resident of Monroe County and am writing this letter in support of Bushkill Group Inc.'s Category 3 Gaming Application.

As a local resident I have been involved with Bushkill Group and the owners. Through my experiences, I am confident that their years of expertise in the resort industry and their high standards for serving their guests, employees and the community will provide for a successful resort gaming environment.

I also believe that the jobs and economic impact this will have in the eastern end of the county would be truly beneficial. The company has put a tremendous amount of time and effort into establishing a plan that will make way for a prosperous gaming facility. They have also taken every possible measure to ensure that the implementation of their plan will not negatively impact the area.

Bushkill Group Inc. is a company of integrity that the PA Gaming Control Board would be fortunate to have as one of its license holders. I respectfully request that this letter be entered into the record on their behalf.

Thank you for your consideration. I look forward to the new opportunities that gaming will bring to our region.

To Whom it May Concern,

I am writing today to voice my support of The Bushkill Group (Fernwood Hotel & Resort) in their quest to obtain the Category 3 Casino License. The Bushkill Group is known in this area to be a beacon of community support/local jobs, and if approved, the Group will be creating jobs in our area for long-time residents/locals who are otherwise out of work. The Casino would draw out of state customers and generate more revenue for all local vendors. Not only would gaming be a considerable added amenity to the resort to draw in more business, but the group has been in the application process for years and I strongly feel that they will conduct their business in a most upright fashion, including additional charitable giving.

Fernwood Hotel and Resort have been trying for 3 years for this license and it is their last chance. It will bring people from the tri-state area to the Poconos and Fernwood Hotel and Resort would be the perfect location because of the easy access from all highways. It will bring more jobs for the residents and also more tourists for the local businesses. It can bring an added amenity to the resort (for adults) and bring more people and more revenue to the area.

To Whom It May Concern:

My name is Daniel Lynch and I am a resident of Stroudsburg, PA in Monroe County. I have been a resident of the Pocono Mountains for the past 16 years. Throughout my years living in the area I have seen many changes. I have watched the tourism in this area decline gradually when it was steady year round in the past. As a child, I remember listening to my parents talk about visiting the Poconos which they did frequently living in nearby Philadelphia. Little did I know that I would be living here years later working in hospitality and experienced why they wanted to visit so often. The area has always been a great place to visit with so many attractions and things to do, and it wasn't far from home. The Poconos has been that to families all throughout the Tri-State area since before I was born. What I'm trying to say, is that the Poconos isn't that anymore and is need of a boost to the area to get back to what it used to be, as one the most recognized and beautiful vacation destinations in the country.

In saying that, I would like to express my full support of the Bushkill Group Inc. / Fernwood Hotel & Resort's application to obtain Pennsylvania's final Category 3 Gaming License. I feel as though the Poconos would benefit from having great amenity of this magnitude in the area. It will give the area and it's economy a much needed boost by providing jobs, tax relief, as well as the ability to bring out-of-state visitors. It would also be great for local businesses. I also feel that there would be no better place than the Fernwood Hotel & Resort to have a casino. Fernwood is a huge beautiful property with a lot of amenities and hard working employees who see hundreds of thousands of people each year. Fernwood also has an upstanding and dedicated ownership team who care for their employees as well as the multiple communities that surround the property. This is also Fernwood's last chance to obtain a gaming license, which they have been trying to for the last 3 years. Fernwood has been in this process since the very beginning and has shown dedication and perseverance to this process as do with their guests and their employees. They deserve it!

In closing I would like to say that granting this gaming license to the Bushkill Group Inc. / Fernwood Hotel & Resort would be a win for this area as well as Pennsylvania State. Thank you for your time and cocern in this matter.

Sincerely,

I am writing in support of Fernwood Resort and affiliates receiving approval for a slots license.

I have had the privilege of being the Massage Therapist at Fernwood as an independent contractor for over eleven years. I have observed many of the acts of kindnesses in which Fernwood has been involved through fund raisers as well as other means that have had a positive effect on the community at large. If Fernwood were to receive the approval for slots gaming, I believe it would further enable The Bushkill Group to continue such actions.

I also believe that such approval would benefit the local community with the addition of jobs. I feel it would also benefit my business. As the massage therapist on property I often hear opinions and suggestions from guests and time share owners. Within the past couple of years many of the guests have inquired as to the progress of Fernwood receiving the gaming license. The overwhelming majority of them were hoping for a positive outcome.

To Whom It May Concern:

I am writing this letter in support of Fernwood Hotel & Resort's gaming license application. As a fellow business owner in the Bushkill, PA region, I believe that the approval of Fernwood's application would greatly assist in returning this area of the Pocono region as the beautiful and pristine vacation destination that it was many years ago. In return, it will also aid in the financial turnaround that many people and businesses in this region are desperately seeking to create a better living environment.

Throughout the past several years, our country as a whole has witnessed a devastating financial downfall. People are losing their homes, businesses that have supported the community are closing their doors and overall, people's morale and hopes for a "bounce-back" are dwindling with every passing day. The approval of this casino license to Fernwood would be a great step to helping provide that "bounce-back". It would add hundreds of jobs to our community, allowing people to keep their homes, support the local businesses and keep people's spirits high.

With my company having a close working relationship with Fernwood and its' staff, I can personally acknowledge that this resort is a perfect location for a casino. Also, having seen the plans for the casino itself, and the surrounding landscape, it would help the Pocono's become a prime vacation destination again. According to the Pocono Visitors Bureau, nearly 24 million people visit this region every year, from states including New York, New Jersey, Connecticut, Delaware and more... We even get visitors from outside the country that come to this area because of its' terrific reputation. A casino in this area would be such an asset to continuing this travel trend, thus helping our area financially. It's not just about how much money the casino itself can make, but also how well local lodging establishments (including Fernwood), restaurants, shopping complexes and other businesses can benefit financially.

All in all, I believe that the approval of Fernwood's gaming license application would greatly benefit the local community, both financially and morale-wise. The location is centrally located to everything in the area and the staff would do everything they can to see this project succeed.

If you have any questions regarding my support of this application, please contact me at

. Thank you, and LET'S GO FERNWOOD!

Sincerely

To whom it may concern,

I am writing you to strongly urge that you award a gaming license to Fernwood Hotel and Resort. Our area needs the business and revenue that will be generated by issuing a license to Fernwood. The jobs that it would bring in will benefit our area and perhaps eliminate the long commute to New York and New Jersey for some area residents allowing them a better quality of life, something most of us have moved to this area for.

Fernwood is a great resort owned and run by first class people who deserve the ability to offer more options for its guest in the way of gaming. Imagine how much greater it could be with the addition of gaming, imagine how much more commerce it could bring back to this side of the Poconos. Please give Fernwood the opportunity to serve guests with the addition of gaming and give them the opportunity to provide more jobs for area residents.

Once again I strongly urge and recommend that you issue the last gaming license to Fernwood Hotel and Resort. You will not be making a mistake. Please help bring life back to this side of the Pocono area.

Sincerely,

To Whom It May Concern:

As a resident of Pennsylvania and business partner with Bushkill Group Inc., I am very familiar with the resort as well as its employees. Through my business and personal experiences with the Bushkill Group, I am very confident that they will provide for a successful gaming venue.

The employment opportunities, increased economic development, and additional charity opportunities, that would result from the awarding of the license to the Bushkill Group, are vital. Through these experiences, I have seen a tremendous amount of time and effort go into planning for a successful gaming facility, and even more time has been spent to ensure that these plans will not negatively impact the area.

Bushkill Group Inc. is in all aspects a great fit for gaming, and the PA Gaming Board would be very fortunate to have them as one of its license holders.

I look forward to the new opportunities that gaming will bring to the region.

Fernwood's close proximity to New York & Philadelphia make it an ideal location to attract a large number of visitors to stay and play at the resort.

And the ripple economic effect it would have on the surrounding Pocono Mountain tourist region would certainly help our area. As a small business, we recognize that this would bring additional jobs and revenue that would help us all in one way or another.

We wholeheartedly request that you grant the Bushkill Group this gaming license as we believe it is the best applicant of the group.

On behalf of the Bushkill Group Inc. and Fernwood Hotel & Resort, I would like to share some of my thoughts and experiences that I have had over the past 15 years as a consumer and friend of the resort. Most of my dealings have been through the event center and Golf facility. The Fernwood Hotel & Resort staff has always provided excellent service at a very fair price. The facility has kept pace with the ever demanding needs of the consumer. The resort has always done their best to ensure the best possible getaway experience whether it's for the day or an extended stay family vacation. I am the Chairperson of a Golf Outing that has been held at the resort for the past 15 years, our group has not had a bad experience to date. The addition of the Category 3 gaming license could only accent an already outstanding facility not to mention the positive effect it would have on the community as a whole.

To The PA Gaming Control Board:

It is my pleasure to write a letter of support for Fernwood Hotel & Resort (Bushkill Group Inc.) Category 3 Gaming Application.

I can attest to Fernwood Hotel & Resort's strong business values, dedication to customer service, and loyalty to their employees. I see first hand how the owners of this resort communicate openly with everyone, motivate employees, and understand and respond to employee concerns. The opportunities and benefits they provide to their employees are often used as the standard given by other resorts in the Poconos. An example would be providing health benefits to employees at no cost to the employee, a benefit appreciated by so many employees and still provided today in these tough economic times.

The addition of gaming, as an amenity at the resort, would mean additional opportunities for employees to advance and better themselves, as well as providing additional employment opportunities in our area.

I appreciate the opportunities and guidance given to me by the owners of Fernwood Hotel & Resort and request you give strong consideration to their application.

My name is John Kiesendahl, owner and CEO of Woodloch Pines Resort, Inc., located in Hawley, Pa. I am writing this letter in support of The Bushkill Group, owner and operator of Fernwood Resort, in their effort to obtain a Gaming License for their establishment. The Bushkill Group was one of the original applicants for the Gaming License and has consistently shown their willingness to meet all the criteria needed to secure it.

Fernwood is a well-established business that employs hundreds of people, offering fair salaries and full benefits. It is situated in a prime location offering wonderful amenities and attracts many, many people from outside the area, as well as locally.

The Bushkill Group has been a responsible member of the community for years, giving back to the area in a myriad of ways. The owners serve on the Boards of many businesses and charitable organizations, donating their time, energy, expertise, and dollars to insure a healthy business climate as well as an all-encompassing lifestyle.

Having a Gaming License would be a boon for the Pocono Mountains, where many of our residents are forced to commute to New York and New Jersey to find work. Creating more jobs and providing tax relief is essential in the current economy.

Fernwood is an ideal facility to host gaming and I am in full support of The Bushkill Group's efforts to secure this license.

Dear PA Gaming Control Board,

I am writing this letter in support of the Bushkill Group Inc. and Fernwood Hotel & Resort for obtaining a Category 3 Casino License in PA.

ELS owns and operates two RV campgrounds, Timothy Lake North and Timothy Lake South 4 miles from Fernwood Hotel & Resort. We currently have about 30,000 nights of camping annually. We expect for this business to grow in the coming years as we have availability with our campsites and rentals.

Our large number of customers from our nationwide system of RV properties provide an excellent source of additional RVers looking for destination areas for either their vacations or lifestyle.

As you know as a demographic group campers show a high propensity to enjoy gaming and to visit locations in which there is a casino. I believe with our campers we can significantly add to the attendance at a casino facility so close to our locations. In turn our close by facilities provide excellent accommodations for other RVers who will be coming to the casino.

Thank you very much for you time and consideration.

Re: The Bushkill Group, Inc. and Fernwood Hotel & Resort

Gentlemen:

I am writing to personally express my strong and overwhelming support for the Category 3 gaming license application of the Bushkill Group, Inc. regarding its planned casino at its Fernwood Hotel & Resort.

For over 35 years, I have been a practicing municipal, public finance and real estate attorney in my native city, Harrisburg, Pennsylvania. I am a former President of the Dauphin County Bar Association (the only African American to have served in that capacity) and a former member of the Pennsylvania Bar Association's Board of Governors, as its Minority Governor At Large, and the State Supreme Court's Continuing Legal Education Board. I am very active in the State Bar and well known throughout the Commonwealth's legal community. In addition, I am involved with a good deal of diversity work for the State and related bars and currently serve as a Co-Chair of its Diversity Task Force and as a long-standing member and former Vice-Chair of its Minority Bar Committee. I also have been a member of the State's Interbranch Commission on Gender, Racial and Ethnic Fairness in our judicial system since the Commission's inception over five years ago.

My wife and I have stayed at the Resort on a number of occasions and have been very impressed with the owners, staff, and accommodations. It is a well run and maintained facility in a beautiful setting with what appears to be a large diverse client clientele. As a person who deals closely with diversity and who has travelled extensively both in this country and abroad, I can truly say that the Resort is certainly one of the most diverse that I have seen in terms of race, ethnicity, gender and age. It truly is a stellar representation of how such an entity and operation can achieve diversity from the top down, in the front office and beyond. It is also a glowing testament to the fact that Monroe County is now the Commonwealth's third most diverse county by percentage of population. I truly cannot say enough about the Bushkill Group and their stellar efforts in that regard. The fact that their clientele is so diverse and keeps returning, and that many of their diverse staff stay for years, says volumes about who they are.

I urge you to grant the license to the Bushkill Group. I have every confidence that they will operate a first rate concern which will have a thoroughly diverse staff and attract a thoroughly diverse clientele.

I write this letter strictly in my personal capacity and on my own personal behalf as a citizen of the Commonwealth and not in my capacity as a lawyer on behalf of my employer, the law firm of Dilworth Paxson LLP. This letter and its contents should not be construed, used or relied upon as a statement or representation of, for or from Dilworth Paxson LLP.

To Whom It May Concern:

On behalf of the entire RCI® organization, I am writing this letter in support of Bushkill Group, Inc.'s Category 3 Gaming Application.

RCI and The Villas at Tree Tops and The Villas at Fairway have enjoyed a strong working relationship for more than 20 years. Each of these properties are owned and managed by Bushkill Group, Inc. Throughout this time, Bushkill Group Inc. has proven to be a responsible company that has consistently fulfilled its contractual obligations to us. In July of this year RCI and Bushkill Group strengthened their relationship by extending the current affiliation agreement between our two companies for multiple years.

As an affiliate within our network of RCI properties, The Villas are among only a handful of RCI affiliated resorts that provide our subscribing members with quality accommodations in the Pocono area. In fact, The Villas are one of the largest vacation ownership properties in the Mid-Atlantic region. Located in Northeastern Pennsylvania and situated among 440 plus acres, this well-established resort facility offers a variety of rooms and amenities, and prides itself on its atmosphere.

The majority of the Bushkill Group owners each have more than 25 years of experience in their respective areas, including operations, finance, law, sales, marketing and development, and have demonstrated a strong commitment to serving their guests, employees and community to the highest of standards.

The addition of a gaming license would greatly benefit the 17,000 member families that The Villas currently accommodates, adding to their already considerable amenities and entertainment offerings. Additionally, the local economy and businesses would benefit from increased tourism and additional employment opportunities.

Based on our experience with The Bushkill Group, Inc., we are pleased to be associated with this organization and fully support this application. We are confident you will too. Thank you for your consideration.

Sincerely,

Dear PGCB,

I am writing this letter in support of the Bushkill Group Inc/ Fernwood Resort and their application for a gaming license. I am a life long resident of the Poconos as well as a resident of Monroe County. I am also a former employee of the Bushkill Group & Fernwood Resort. I can not say enough great things about the Bushkill Group, Fernwood Resort, or their owners/management and their roll in the community. They have helped me for the last seven (7) years hold a fundraising golf tournament at Fernwood Resort, and the support and generosity they have shown year in and year out has been nothing short of incredible, and well above and beyond anything I have ever expected.

I feel I could fill up pages of the great things that this organization does and has done both in house as well as in the community, and a gaming license would only add to the work they do as well as be a great addition to the area. The Bushkill Group would be in my opinion a great fit for this gaming license and they would truly use it to improve the area, the resort and the community. Thank you for your time.

PENNSYLVANIA GAMING CONTROL BOARD
P. O. BOX 69060
HARRISBURG, PA 17106

SEPTEMBER 14, 2010

ATTENTION: BOARD SECRETARY

SUBJECT: ADDENDUM TO WITNESS NANCY SHUKAITIS' 3-MINUTE WRITTEN STATEMENT PRESENTED AT GAMING BOARD HEARING OF 09/02/2010 RE FERNWOOD GROUP DOCKET #1567; APPLICATION FOR CATEGORY 3 RESORT CASINO LICENSE (SEE SHUKAITIS I.D. 1724)

Enclosed are the following:

#1: copy of the writer's September 2nd, 2010 testimony;

#2: copy of letter sent by writer on March 2010 to Ms. Gina Bertucci, part-owner of the Fernwood Resort and participant in the above Application for a Category 3 Casino License;

#3 : 1967 NPS map indicating Delaware Water Gap National Recreation Area (DWGNRA) original boundary lines with writer's attention pointing to the physical location of Fernwood Resort at that time when Winona Falls Road to U. S. 209 Intersection served as the western boundary of the Park here and U.S.209 at the same Intersection to River Road continued the Park boundary along River Road into the Shawnee-on-Delaware Valley.

#4: 2006 NPS map indicating DWGNRA more recent boundary line and considerable change in the boundary configuration, which clearly shows a realignment of the DWGNRA boundary. This freed the Resort from bordering on above-named roads, but cannot exclude the Resort from **ABUTTING ON THE DWGNRA**. The impacts are the same, whether they are surrounded by DWGNRA'S BOUNDARY or border on the boundary or even if they were half a mile from the boundary. The more Fernwood grows, the more it impacts. No Interstates come close to the Fernwood Resort. U.S. 209 thru the DWGNRA FOR OVER 30 MILES MUST BE USED TO REACH FERNWOOD FROM MILFORD, PORT JERVIS, NEW YORK STATE, NORTHERN NEW JERSEY.

TWO-LANE RIVER ROAD FROM DELAWARE WATER GAP THRU THE DWGNRA FOR OVER 10 MILES MUST BE USED TO REACH THE FERNWOOD FROM POINTS SOUTH, SOUTH EAST, INCLUDING NEW JERSEY.

A Fernwood casino will negatively impact the DWGNRA in terms of multiplying traffic, noise, air pollution; offering INDOOR RECREATION WHERE OUTDOOR RECREATION IS FREE, PAID FOR WITH OUR TAX DOLLARS AND WHICH IS THE MAIN OBJECTIVE OF DWGNRA VISITORS.

Ms. Nancy Shukaitis

PUBLIC HEARING OF THE PENNSYLVANIA GAMING COMMISSION
HELD AT COUNTRY CLUB OF THE POCONOS IN MIDDLE SMITHFIELD
TOWNSHIP, MONROE COUNTY, PENNSYLVANIA

SEPTEMBER 2, 2010, AT 10 A.M.

**ISSUE TO BE DECIDED: BUSHIKILL GROUP (FERNWOOD RESORT)
APPLICATION FOR CATEGORY 3 RESORT CASINO LICENSE**

TESTIMONY OF WITNESS I. D. 1724: NANCY SHUKAITIS

OFFICERS AND MEMBERS OF THE COMMISSION:

AFTER SERVING 16 YEARS AS A COUNTY COMMISSIONER, AND MORE THAN 30 YEARS AS COORDINATOR OF THE DELAWARE VALEY CONSERVATION ASSOCIATION, I FEEL QUALIFIED TO ADDRESS THE QUESTION THAT IS ON TODAY'S AGENDA.

YOUR WEB SITE MAP SHOWS NINE (9) CASINOS STATE WIDE, SPACED INTELLIGENTLY FAR APART AND PROVIDING NINE GAMING SERVICE AREAS. AS FAR AS IS KNOWN, NONE OF THE NINE COUNTIES HAVE MORE THAN ONE CASINO, AND FIFTY-EIGHT (58) COUNTIES HAVE NO CASINOS.

MOUNT AIRY CASINO, OPENED RECENTLY IN MONROE COUNTY AND LESS THAN AN HOUR AWAY FROM FERNWOOD RESORT, HAS DEVELOPED A GOOD FOLLOWING TO DATE. SANCTIONING THE FERNWOOD APPLICATION WOULD UNDERCUT THE MOUNT AIRY INVESTMENT. MONROE IS A RURAL COUNTY. A CASINO OFERING 600 SLOT MACHINES AND 50 LIVE TABLE GAMES HAS THE RIGHT TO AIM FOR A MORE LUCRATIVE CATEGORY. WHAT IS THE CRITERIA?

CONSIDER: TO CREATE A CASINO IN A RURAL TWO-LANE ROADS-REGION IS INCONSIDERATE OF TRAVELERS. THE MAIN ROADS TO FERNWOOD FROM THE NORTHEAST AND NEW YORK CONSIST OF U. S. 209 WHICH - FOR OVER 30 MILES - RUNS THROUGH THE DELAWARE WATER GAP NATIONAL RECREATION AREA (DWGNRA). CARS COMING FROM NEW JERSEY WILL USE THE 10-MILE NARROW, WINDING RIVER ROAD ALSO CONFINED TO THE DWGNRA.

CONSIDER: THE FERNWOOD RESORT, ALTHOUGH PRIVATELY OWNED, IS SITUATED WITHIN THE 1965 ORIGINAL BOUNDARIES OF THE PARK.

THE STATED PURPOSE FOR THE DWGNRA, EXPRESSED IN OUR NATION'S STATUTORY PLEDGE: "PUBLIC OUTDOOR RECREATION BENEFITS, PRESERVATION OF SCENIC, SCIENTIFIC AND HISTORIC FEATURES CONTRIBUTING TO PUBLIC ENJOYMENT." INN-HOLDERS WITHIN AND ABUTTING NATIONAL PARKS, ARE EXPECTED TO RESPECT AND UPHOLD THE NORMS OUTLINED IN "National Park Service Management Policies."

THE ABOVE CASINO IMPACTS ARE NOT ACCEPTABLE AND WOULD OBFUSCATE THE VERY FUNCTION, STANDARDS AND NPS ACCOMPLISHMENTS SPREAD OVER NEARLY HALF A CENTURY. WE ARE DISCUSSING PENNSYLVANIA AND NEW JERSEY'S MUTUALLY SHARED NATIONAL PARK ENTITY THAT ALREADY SERVES OVER 5 MILLION VISITORS ANNUALLY: PUBLIC OUTDOOR RECREATION FOR GOOD HEALTH.

A CASINO IN THE DWGNRA ALSO WOULD SET A VERY PROBLEMATIC PRECEDENT. OPEN THAT DOOR AND VENUES OF EVERY NATURE WILL ASK FOR SPECIAL EXCEPTIONS.

THIS PARK IS AN AMERICAN TREASURE, SET ASIDE FOR THE HEALTH OF THE PUBIC, AVAILABLE TO HIKERS, BIKERS, CANOEISTS, SWIMMERS, ET AL. FREE PHYSICAL THERAPY!

WITHOUT GOOD HEALTH, AMERICANS CANNOT HOLD JOBS. HEALTH PROFESSIONALS HAVE FOUND THAT HUMAN ACTIVITY IN THE NATURAL OUTDOOR WORLD IS THE ROOT OF OUR NATIONAL ECONOMY.

DEAR GINA:

(PLEASE EXCUSE THE CAPITAL LETTERS; MY COMPUTER NEEDS WORK BUT I HAVE MEANT TO WRITE TO YOU SOONER THAN THIS, SO WILL ASK YOUR FORBEARANCE.)

I WRITE WITH DEEP CONCERN OVER THE GREATLY INCREASED VOLUME OF TRAFFIC THAT GAMBLING AT THE FERNWOOD IS CERTAIN TO CREATE, WITH EMPHASIS UPON THE INFLUX FROM NEW JERSEY, TAKING THE SHORTEST ROUTE - UP RIVER ROAD DIRECTLY INTO AND THROUGH THE DELAWARE WAER GAP NATIONAL RECREATION AREA. THE SHAWNEE VALLEY IS ONE OF THE MOST FREQUENTLY VISITED PORTIONS OF THE DWGNRA, AND IN CONSONANCE WITH THE PURPOSE OF PUBLIC LAW 89-158, SEPTEMBER 1965, IT IS A SCENIC ROUTE INTO THE DWGNRA "FOR EXPLORING AND LEARNING." A LOW-COST EDEN FOR RESTORING ONE'S PSYCHE.

SO WHAT'S SO GREAT IN THE SHAWNEE VALLEY? IT IS OVERLOOKED BY THE APPALACHIAN TRAIL. HAVE YOU BEEN UP THERE, LOOKING DOWN ON THIS LOVELY, QUIET VALLEY? THE MCDADE TRAIL, CLOSER TO RIVER ROAD, FOLLOWS THE VALLEY NORTHWARD, UNDERSCORING ITS PICTURESQUE SCENERY THAT WAS RENDERED UNINHABITED (REMOVAL OF THOUSANDS OF OWNERS) IN ORDER TO DISCLOSE THE ORIGINAL NATURAL SETTING; NATIVE AMERICAN OCCUPATION FOR OVER 10,000 YEARS IS CONTINUALLY STUDIED AND REVIEWED BY SCHOLARS AND CHILDREN. CANOES BY THE THOUSANDS ARE PADDLED DOWN THIS HISTORIC RIVER, ITS SOLITUDE ENJOYED AND APPRECIATED BY MORE NATURE LOVERS EACH YEAR. BUMPER-TO-BUMPER SPEEDING CARS ON A WINDING HISTORIC ROAD CAN ONLY BRING NOISE AND VEHICLE EXHAUST.

THE FERNWOOD IS WITHIN THE OFFICIAL BOUNDARIES OF THE DWGNRA WHICH CONGRESSIONAL ACT CARRIES WITH IT FIRM REGULATIONS THAT MAKE VERY CLEAR THAT THIS PARK IS SEEN AS A NATURAL RESPITE FOR AMERICAN CITIZENS WHETHER FROM URBAN, SUBURBAN OR RURAL PLACES .

THE DWGNRA 1965 ACT PROVIDES "NATIONAL PARK SERVICE MANAGEMENT POLICIES" THAT EXPLAIN "WHAT CONSTITUTES PARK RESOURCES AND VALUES", AS FOLLOWS:

"THE "PARK RESOURCES AND VALUES" THAT ARE SUBJECT TO THE NO-IMPAIRMENT STANDARD INCLUDE:

- 1- "THE PARK'S SCENERY, NATURAL AND HISTORY OBJECTS, AND WILDLIFE, AND THE PROCESSES AND CONDITIONS THAT SUSTAIN THEM INCLUDING, TO THE EXTENT PRESENT IN THE PARKS: THE ECOLOGICAL, BIOLOGICAL, AND PHYSICAL PROCESSES THAT CREATED THE PARK AND CONTINUE TO ACT UPON ITS SCENIC FEATURES, NATURAL VISIBILITY, BOTH IN DAYTIME AND AT NIGHT; NATURAL LANDSCAPES AND SMELLS; WATER AND AIR RESOURCES; SOILS, GEOLOGICAL RESOURCES; PALEONTOLOGICAL RESOURCES; ARCHAEOLOGICAL RESOURCES, CULTURAL LANDSCAPES, ETHNOGRAPHIC RESOURCES; HISTORIC AND PREHISTORIC SITES, STRUCTURES, AND OBJECTS; MUSEUM COLLECTION; AND NATIVE PLANTS AND ANIMALS;**
- 2. OPPORTUNITIES TO EXPERIENCE ENJOYMENT OF THE ABOVE RESOURCES, TO THE EXTENT THAT CAN BE DONE WITHOUT IMPAIRING THEM.**
- 3. THE PARK'S ROLE IN CONTRIBUTING TO THE NATIONAL DIGNITY, THE HIGH PUBLIC VALUE AND INTEGRITY, AND THE SUPERLATIVE ENVIRONMENTAL QUALITY OF THE NATIONAL PARK SYSTEM. AND THE BENEFIT AND INSPIRATION PROVIDED TO THE AMERICA PEOPLE BY THE NATIONAL PARK SYSTEM; AND**
- 4. ANY ADDITIONAL ATTRIBUTES ENCOMPASSED BY THE SPECIFIC VALUES AND PURPOSES FOR WHICH IT WAS ESTABLISHED.**

GINA, IN 2015, OUR NATIONAL RECREATION AREA WILL CELEBRATE ITS 50TH ANNIVERSARY, FOLLOWED IN 2016 BY OUR NATION'S CELEBRATION OF THE 100TH ANNIVERSARY OF NATIONAL PARKS & RECREATION AREAS IN THE UNITED STATES OF AMERICA !!!!! AT THAT TIME, REVIEWS WILL BE APPROPRIATE AND THE RAPID GROWTH IN PARK VISITATION, -TODAY NEAR THE TOP OF THE NATION'S LIST FOR BEST SITES TO VISIT, WILL BE HIGHLIGHTED.

THE NPS CANNOT BE PROUD THAT FERNWOOD IS ABOUT TO FINALIZE A PRECEDENT IN POOR CHOICES FOR PRIVATE ENTERPRISE WITHIN OUR NATIONAL TREASURES. YOUR ROLE ON THE ADVISORY COMMISSION TO THE DWGNRA BEGS THE DECISION THAT APPARENTLY WAS MADE WITHOUT FULL COMPREHENSION OF THE VALUES REFLECTED: IS CORPORATE \$ GAIN MORE IMPORTANT THAN NATIONAL PROVISION OF OUTDOOR OPEN SPACE FOR THE MASSES?

UNITED STATES DEPARTMENT OF THE INTERIOR NATIONAL PARK SERVICE

DELAWARE WATER GAP

NATIONAL RECREATION AREA
NEW JERSEY - PENNSYLVANIA

Delaware Water Gap National Recreation Area

On September 1, 1965, the Act authorizing establishment of the Delaware Water Gap National Recreation Area (Public Law 89-158) was signed into law by President Lyndon B. Johnson. Thus, another giant step was taken by the United States Government to supply badly needed outdoor recreation facilities and opportunities for the residents of the heavily populated Northeastern United States.

The Delaware Water Gap National Recreation Area, to be developed as an integral part of the Tocks Island Dam and Reservoir Project, will be strategically located along the upper Delaware River in Pennsylvania and New Jersey. When it is in full operation, it will consist of approximately 60,000 acres of land surrounding the 12,000-acre Tocks Island Reservoir. The reservoir itself will have over 100 miles of shoreline and will vary in width from one-half mile to about two miles.

The Tocks Island Dam and Reservoir Project, which will be developed by the Corps of Engineers, U.S. Army, was authorized by the Congress in 1962 as a multiple purpose project (water supply, flood control, recreation and hydroelectric power). Planning for the project has been underway since 1964 and the construction of the earth-rock fill dam (length: 3,200 feet—width: about 3,000 feet—height: about 160 feet above river level) is expected to be completed no later than 1977.

Since the Delaware Water Gap National Recreation area will encompass about six miles of river below the dam and numerous scientifically and recreationally significant lands not dependent on the reservoir, **IT IS POSSIBLE THAT PARTS OF THE RECREATION AREA MAY BE OPEN AS EARLY AS 1968.** However, the recreation area, like the reservoir, is scheduled to be in full operation no later than 1977.

The purpose of this leaflet is to answer some of the most frequently asked questions about the Delaware Water Gap National Recreation Area and to give visitors to the area some idea of how the national Park Service will develop the recreation area, as required in Public Law 89-158, for:

- ... "Public outdoor recreation benefits;
- ... "Preservation of scenic, scientific, and historic features contributing to public enjoyment;
- ... "Such utilization of natural resources as in the judgment of the Secretary of the Interior is consistent with, and does not significantly impair, public recreation and protection of scenic, scientific and historic features contributing to public enjoyment."

National Recreation Areas, like National Parks and Monuments, are administered by the National Park Service, but in their development and management provide for more and different public uses. The National Parks are managed primarily to preserve unique and superlative natural or cultural features, wildlife and magnificent scenery for the use and enjoyment of the people. A National Recreation Area may contain outstanding features that require absolute preservation, but it also has a varied recreation program, on a large scale and with more diversity.

Upstream from the scenically famous Delaware Water Gap, surrounding a man-made lake extending for almost 37 miles through the beautiful Delaware River Valley, the National Park Service will offer recreational opportunities for an estimated ten million visitors annually. Since much of this visitation will occur between June 1 and September 15, it is estimated that on weekends and holidays as many as 150,000 visitors may be in the park at one time. Through careful planning and management it is believed that this heavy load can be absorbed without damage to area values or overcrowding of some sections and under-use of others.

Future developments will provide opportunities for almost every type of outdoor recreation associated with the natural, historical and recreational resources of the area. Twenty bathing beaches of varying sizes are planned with long stretches of undeveloped scenic shoreline between them. Four major boating centers will have facilities for launching, docking and servicing of boats. Special areas will be set aside for activities such as water skiing, scuba diving and the operation of motorless craft. Lake and upland stream fishing will be one of the most popular activities, and canoeing enthusiasts will find enjoyment both on the reservoir and in the swifter water below the dam.

Camping and picnicking facilities capable of absorbing use while maintaining the proper atmosphere will be developed. Some will be designed for use by camping trailers and others along remote shoreline or mountain trails will be for boaters and hikers. A system of trails is planned exclusively for hikers. Automobile sightseeing tour roads providing access to major historical and natural features will have turn-outs, vistas, picnic areas, and informational exhibits. Hunting will be permitted in season, but will be carefully regulated to protect scarce, endangered or scientifically important species. Although special facilities are not planned, winter use of the area for skiing, ice fishing, snowshoeing and related activities will be encouraged.

Wayside museums, on-site exhibits, interpretive walks or tours and campfire programs will be used to pre-

sent the natural and cultural history of the area. These will explain the formation of the area's outstanding geological features and will tell of the uses man has made of this environment. Archeological evidence indicates that the Indian came to the valley almost 10,000 years ago, and early written records reveal that Dutch explorers began building here even before William Penn founded Philadelphia. By 1664, the Dutch are believed to have transported copper dug from the Pahaquarry Copper Mines some 104 miles to Esopus (now Kingston, N.Y.). Portions of the Old Mine Road, possibly the first road over 100 miles in length in America, and traces of the mines are still evident. Descendants of these early settlers participated in the Indian Wars of the 18th century and during the American Revolution their valley was a vital link in the line of communications between New York and Philadelphia.

The valley saw the rise and decline of the rich farmlands of the Middle Atlantic as the Nation's "bread basket." It witnessed the passage of the pioneer raft, establishment of the river ferries, advent of the steam locomotive, and finally the bridging of the river by the modern interstate highway. Improved methods of transportation played a vital role in making the resort industry an important economic factor by the 1850's, and in continuing its influence to the present.

Take advantage of facilities provided to inform you of the history and natural history of the area. This will add immeasurably to your understanding and enjoyment of the National Recreation Area.

Much of the land to be included in the Recreation Area is still in private ownership and is not open to the public. It is planned, however, that several points of interest will be ready for visitor use and enjoyment during the 1968 travel season. Since purchase of land and development of public-use areas began in the Water Gap Section, below the dam site, and is progressing northward along the river valley, you should plan to visit the Water Gap first. Current information regarding areas, facilities and programs ready for use will be available from the Superintendent's Office or from information stations located on both the New Jersey and Pennsylvania sides of the river. RESPECT THE RIGHTS OF PRIVATE LANDOWNERS - Be sure land is in government ownership and open to the public before entering.

Dear Jim, Rosalie Capitelli gave me your name and e-address in order that I could share my arguments against maring the Delaware Water Gap NRA to you and your organization.

I know it's late in the game, probably too late, but my schedule has not permitted time to get into this issue as I have so many other issues that bug me.

I do not need my name in the Pocono Record, so I wrote directly to the Gaming Commission. If you have any qaestions, please e-mail me.

Thank you for your good work on behalf of Pennsylvania citizens. You are appreciated, and so is Rosalie. She would like a copy of my letter below but my printer is dead.

RE: Gaming at Fernwood Resort, Bushkill, PA (Middle Smithfield Township, Monroe County, PA)

Dear Chairman DiGiacomo and Members of the PA Gaming Control Board,

This letter is to protest the pending application of Fernwood Resort, Bushkill, PA, to open a gaming venue at said facility, located on U. S. 209, Bushkill, PA.

The Fernwood Resort is encircled with the 1965 Act DELAWARE WATER GAP NATIONAL RECREATION AREA. Its location on U. S. 209 is immediately connected to River Road, at the U. S. 209 traffic light. River Road extends from that point through the heart of the Delaware Water Gap National Recreation Area for about nine (9 miles) to Shawnee-on-Delaware, a historic village first settled in 1726 by Nicholas DePui. From Shawnee, it is only three miles to Delaware Water Gap which leads to the Delaware Water Gap Interstate Toll Bridge to New Jersey. THE ROUTE FROM THE DELAWARE WATER GAP BRIDGE TO THE TRAFFIC LIGHT BY THE FERNWOOD IS THE CLOSEST AND LEAST TRAVELED ROAD IN SMITHFIELD AND MIDDLE SMITHFIELD TOWNSHIPS, RIVER ROAD. It is an entry-way INTO the DWGNRA and deserves to STAY THAT WAY!

Dear Mr. Doug Harbach:

On September 2nd at 10:00 a.m. the Country Club of the Poconos will be having a hearing to solicit public input for the application of the Fernwood Resort for the remaining category 3 license for slot machines and table games.

The Fernwood wants the public response, which I believe is a waste of time, first of all most people, are working at 10:00 a.m. in the morning, they cannot make this meeting. I made the last meeting against the gambling. I've collected over three hundred signatures against the resort receiving the category 3 license for gambling. I have written prior letters to the Pennsylvania Gaming Control Board
Attn: Mrs. Stetler, Mary DiGiacomo Calin, Cyrus Petre, William Downing III Esquire, Richard Garvey, Doug Harbach

We the public do not want gambling in our back yards. If we want to gamble we can easily go to Mount Airy which is only forty minutes away. Fernwood is not the right place for gambling. The resort sits on the main road (Route 209). Our schools, churches and stores are within a mile or two of the Fernwood on Route 209 and the local community has to pass the Fernwood to get to these places. It will create more traffic, crime and getting people here to gamble that cannot afford to spend the money.

I do not know why I am wasting my time with this letter; it seems that the politicians and board members are going to do what they want. As of this day I have never received a response from the board, but I guess that is how the system works, next time the public hears from people in office is when they want our vote to be elected.

Sincerely,

Rose Capitelli

Dear Ms. DiGiacomo Calins,

I am writing in hopes to dissuade you from granting a slots license to Fernwood Hotel and Resort.

I attended and gave testimony at the previous community meeting concerning this. Mr. Worthington spoke to me afterward. He is a very gracious and well-meaning person. However, I still disagree with him.

I began working in the leisure time marketplace at age 19 in Paris, London, and Glyfada, Greece. After that I worked in Jackson Hole, Wyoming. I have spent many years traveling or working in resorts, spas or tourist destinations around the globe. I worked as a massage therapist in 5 resorts or spas in the Pocono area. Currently, at age 50, I am the consulting dietitian for the guests of The Lodge at Woodloch, a destination spa in Hawley, PA. One thing is clear to me: the greater the tourist attractions, the lower the wages and the worse the traffic. Also, there is an increase in crime, prostitution and drug infiltration into the local community.

The Poconos is experiencing an increase in gang related violence and drug trafficking. Our social and police services cannot handle what is already here. The housing crunch for the minimum or low wage earner is a huge problem. Ask any of our housing services, there are not enough low rents or affordable houses to go around. The by-pass on Route 209 supposedly alleviating traffic congestion to and from Interstate 80 is at a stand still.

To this Mr. Worthington wants to add more congestion and just how many of these 80 jobs he proposes will pay more than \$9 per hour? How will these workers get to the resort? He presented a study which stated we could handle the increase in road use. However, you should ask the average homeowner what traffic is like on weekends during the summer and fall. Has Mr. Worthington talked with the Monroe County Transit Authority on making public transportation available for the employees as well as the guests? This may assist in the traffic problem. It may also assist in attracting clientele nearby businesses. This could even help the community at large by giving access to our community members at the far end of the county access to our downtown, Stroudsburg area and its businesses.

I know that most housing markets in the country are lower than average, however, the residents of the area surrounding Mount Airy Lodge have seen the value of their homes drop. No one wants to buy near a casino. No one wants their children to grow up next to a casino.

The Poconos has historically been a place of natural beauty. A place to get out of the urban grind and in to relaxation and open space. My lifelong experience tells me that a slot parlor will do nothing to keep

this special feeling about the Poconos and will do everything to assist in expanding urban issues into our backyards.

We all want a strong economy out here, but I just don't think this is the best business model

Thank you for your time,

Pennsylvania Gaming Control Board
PO Box 69060
Harrisburg, PA 17106

Re: Written Comment To Be Included In The Evidentiary Record of the Hearing Held May 20, 2008

To the Board:

We, the above named citizens and all relevant citizens of the Valley Forge region, oppose the application for a license for a gaming facility in the Valley Forge Convention Center in Upper Merion Township, Montgomery County, and we oppose any further efforts to place gaming facilities of any sort anywhere in Southeastern Pennsylvania.

The proposed facility for Upper Merion Township would negatively affect a highly populated region including an inner ring composed of Upper Merion, Conshohocken, Norristown, Audubon, Oaks, Wayne, Bridgeport, Chesterbrook, Paoli, Berwyn, Villanova, Bryn Mawr, Ardmore, Malvern, Exton, Lionville, Kimberton, and Phoenixville.

Our request is based on the opinions of the majority of residents, and a consensus of church, ministry, and congregation leaders, in these and in the next concentric layer of townships and communities of the area. Residents are concerned about the bad effects of an adjacent gambling facility, and deny any recent acclamation towards localized gambling, nor acclamation towards gambling in our region and State. The reasons for this concern are clear: There are proven negative effects of any regional gambling facility, on family life, and on the integrity of young adults, and there is a strong, unwholesome message implicitly sent to citizens through the installation of such a facility, that gambling is correct, and worthy of standing as legitimate neighborhood entertainment, no matter the effects. These and related harms to the community are an affront to all Pennsylvania children, and their parents. Gambling is being routinely recharacterized in the United States as legitimate activity, and the internet gambling industry is the silent co-partner which seeks to infuse this into every home, and into every youthful, impressionable mind. This does not make local and regional gambling acceptable.

We are further concerned because gambling is being promoted as acceptable entertainment and even an everyday escape, despite its ill effects on principles of responsible and moral spending, especially as harmful to young adults, and to the children who will form our next generation. Family values and responsible community planning are the norms to which we are accustomed, and are the objective of those who founded this State and Nation.

Beyond the known illnesses and ripple effect of them on family members, associates, and the community, gambling is also known to work against general community principles of frugality and responsible and moral spending. Youth is, by way of an irresponsible media, now encouraged to live on credit, and to spend on frivolity causing indebtedness and materialism to stand directly

in the way of family-positive goals. This purported lifestyle; that is purportedly a worthwhile choice, is being enormously upgraded by the efforts of online purveyors of gambling. The entire populace is inundated with this category of entertainment, while family-positive goals and religion, fall victim to such new lifestyles. The coexistence of decency, religion and fruitfulness is, including up to present, the norm to which we are accustomed, and was the objective of those who founded this State and Nation. Thus the efforts to introduce gaming have a strong connotation of outside forces seeking intrusion, far beyond the out of state applicants for gaming licenses. We object to this intrusion and do not find it to be the welcome addition that some are attempting to portray it. We agree with and incorporate herein the abundance of evidence presented in hearings before the Board to date regarding gambling's ill effects on the community and gambling disorders that destroy lives, and ripple effect and demoralize.

The next set of effects to which we object, are being falsely portrayed as workable, worthy, and/or unavoidable side effects, of what we believe is gambling intrusion. These are : traffic, crime, parking woes, a new level of commuters, increased pollution, and decreased comfort level for all of us residents. We agree with the overwhelming facts that have been submitted to the Board in this regard in the hearings on applications to date in this Commonwealth. For instance, the fact that the Convention Center is near cloverleaf interchanges and is thus assumed to create negligible effects on residents' driving comfort, is unfathomable. Traffic in this region is near saturation. Residents will be subjected to volume of great proportions at numerous crowded times of day solely for the benefit of the casino. The revenues generated will quickly be eaten into by needs to remedy congestion, crime, and overuse of roads. The new mega-center now being built looms as stultifying and possibly catastrophic to this scenario. The real estate agents will be instructed to tout the gambling as a feature of the region, which will attract a less desirable population overall to the new complex and to the region. We cannot turn away from prostitution that is likely, and we plead with you not to victimize our region with this and the recent surge in underage prostitution, that disgraces the metropolitan areas of our Country.

The short term financial gain for the township and nearby businesses will not be permanent. Gain, in fact, will not even exist for the next door communities of Norristown, and Radnor, Tredyffrin, and Lower Providence Townships, and loss from traffic and environmental issues will occur. We object to the acceptance of applicant's proposal and presentation as being wholly financial in scope, leaving the entire defense of family values, community decency and way of life, and comfort of drivers, to those residents having time to attend the hearing, which in fact was scheduled in the daytime. We object that the procedure requiring filing an application to speak, and being limited to comments of short duration, is a denial of due process. Attendees opposing the application were not given any opportunity to hear responses to their objections nor to cross examine. This is heightened by the failure of the statutes to provide for counter-experts, organized perhaps by a master or township czar on the matter. This milieu has inflicted an unequal protection to the applicants at the expense of the rights of the residents.

We object to the presence of gambling, and the unwholesome message implicit sent to citizens through the installation of a gambling facility, and the promotion of gambling as worthy community entertainment. These and the related harms to the community are an affront to the community and to the churchgoing populace. We implore your adherence to the law of the Commonwealth in all pertinent sections including the Pennsylvania Municipalities Planning Code as is apparently required of you to a considerable extent, and deny the application, so as to allow this region our pride in family values and stability rather than increased crime and corruption, and deny any applications for this unnecessary addition to our region.

Leaps into everpresent gambling may create financial windfalls for the Commonwealth and Upper Merion township, and Philadelphia, but such revenues will quickly become accustomed to and budget problems again loom in the short or medium term, due to the nature of our democracy. In the process, the gambling business will have attached itself to the Commonwealth, and will stand little chance of being removed, due to dependance on the additional cash flow. The casino operators are well aware of this fact and, to our knowledge, were instrumental in attaining the expediting aspect of the Act, so that once the licenses are issued, the licensees' irreversible profit would be insured endless approval. Like the real story behind the fantastical field of dreams, the dream factory didn't mention that the dream is impossible, carrying with it in reality traffic and worry, distress, breakdown of community bonds, encouragement of less favorable lifestyles, and compromising of values, right in the neighborhood.

We claim that the circumstances of Atlantic City, New Jersey, are a valuable scenario which has made sense and prevented addiction and teen abuse. The casinos are 150 miles or more from the metropoli. This has lent an appealing resort feel to the attractions. Casino operators and now our legislators have now molded the word "resort" into a restaurant with a casino. The allure of this arrangement is negligible, and will be supplanted with efforts at advertising which will drive an additional, irresponsible nail into the traditional and timeless family life and means of raising offspring, which we seek to continue.

In the same urgent manner, we claim that the Act in legalizing gambling and, in transgressing the intent of the founders, and the Pennsylvania Constitution, specifically Article I Sections 1, 2, 3, 4, 7, 25, 26, and 27, Article II Sections 31, and Article V Section 2, that the Act be suspended pending amendment of the Constitution by addition of an Amendment which formally legalizes gambling into the Commonwealth and sets forth the foundational tenets and limits of said legalization. We claim additional reasons for unconstitutionality of the Act and of the Regulations promulgated thereunder.

Because of the time of year and the expedited and quiet manner in which the application was handled, we request an extension of time to submit additional letters and petitions regarding our opposition. We request leave to file a brief in this matter within a short time of this letter.

Residents voicing some opposition to Fernwood slots

By MICHAEL SADOWSKI

Pocono Record Writer

Not everyone is thrilled about a new slots parlor coming to the Poconos.

A number of local residents have aligned with Eastern Pennsylvania Citizens Against Gambling in an effort to protest Fernwood Hotel and Resort's application for a slots license.

Rosealie Capitelli of Bushkill said she sent in a petition with about 300 names to the state last year of local residents who do not want the Bushkill Group to be granted its Category 3 slots license.

She lists concerns such as traffic, crime and the potential aesthetic problems in her objection to the proposed casino.

"We came to the Poconos for its beauty," she said. "I'd hate to lose that."

The Bushkill Group — essentially Fernwood's owners and management — has applied for a Category 3 slots license. Cat-

egory 3 licenses are open only to established Pennsylvania resort complexes.

The license would allow for a maximum of 500 slot machines, a small number when compared to a Category 1 stand-alone licensee — like Mount Airy Casino Resort — which is allowed up to 5,000 machines and has about 2,500 installed right now.

And while complaints have been limited or nonexistent when it comes to crime or traffic at Mount Airy 15 months after its opening, Capitelli said there is a big difference at Fernwood.

"Mount Airy isn't right on (Route) 209," she said of the extremely busy, one-lane road running up the east end of the

Poconos. "There is already traffic there. It's going to get worse. You have to pass it to get to everything — schools, churches, the supermarket."

Janice Grisi, a 22-year Bushkill resident also against the proposed slots parlor, said Route 209 is in the middle of everything and having a casino there will worsen the already brutal traffic situation on Route 209.

"Every place you have to go, you have to pass Fernwood," she said. "There just aren't any other roads."

Fernwood is one of two applicants for two available Category 3 licenses, with the Valley Forge Convention Center also applying.

The state has asked for updated financial information from both applicants before making any ruling on the licenses.

When Fernwood went before the Pennsylvania Gaming Control Board in October to make its formal pitch for the license, more than 100 letters were submitted to the state from the public concerning the proposed slots parlor.

Only two were negative. Capitelli was one of the letters.

She said she also doesn't want to see the state rush into the decision, because it will be hard to reverse.

"It's like getting a tenant in an apartment," Capitelli said. "Once they're there, you can't get them out."
