EXECUTIVE SUMMARY

Our mission is to maintain an open and welcoming atmosphere where employees, guests, business partners and the community at large feel comfortable and respected. The Diversity and Inclusion plan's focus is to connect our business to real opportunities through outreach and partnership.

- We value diversity in the workplace. The best ideas and efforts come not from one individual, but when drawn from many different perspectives and viewpoints. We strive to capitalize on the varied experiences, ideas and knowledge that each employee brings to the business. We reach out to recruit directly from universities and colleges in the region and attend job fairs to find the best talent. We also contact state and local job placement organizations and services. We will target advertising for job vacancies in media representing historically under-represented groups. We function as a team. We are the Best of the Best.

- We value diversity in our business partnerships. Our goal is to ensure that there is an equal opportunity for all vendor and contractor partners to participate in our business, and share in our success. We have joined the Minority Supplier Development Council. MSDC is an organization that assists MBE and WBE owned businesses in the vendor certification process. Our outreach extends to:
 1. The African American Chamber of Commerce
 2. The Asian American Chamber of Commerce
 3. The Hispanic Chamber of Commerce
 4. The Women's Business Enterprise Council
 5. The Bensalem Gaming Advisory Board
 6. Central Bucks Chamber of Commerce
 7. Lower, Central and Upper Bucks Chambers of Commerce

We meet regularly with these organizations that provide vendor and contractor outreach opportunities. Since January 2008, Greenwood Gaming and Entertainment, Inc. has conducted 1050 vendor meetings with MBE and WBE that has led to business for many of these companies and great partnerships for GGE.

From 2009-2017, Greenwood Gaming and Entertainment, Inc. awarded significant business to MBE, WBE and LBE construction contractors.

- Greenwood Gaming and Entertainment recognizes and values the diversity of our customers. We understand that customers can choose from among many entertainment destinations in the Delaware Valley, and we are honored that they choose our casino and racetrack. We pledge that the quality of service and attention they receive while visiting us will serve as proof of our appreciation for their patronage.
- We welcome the opportunity to be an active member of the community. The success and well-being of our business directly impacts the success and well-being of our community. We support local and regional charitable organizations in four areas:
 - Community
 - Health
 - Education
 - Senior Organizations

We are proud to work in partnership with civic and charitable organizations and Greenwood Gaming and Entertainment, Inc. is a generous contributor to various local, national and international organizations

Greenwood Gaming and Entertainment, Inc. is an advocate for a strong and vital business community. We believe that strong partnerships work!

STATEMENT OF GOALS

1. To establish a diverse workforce by ensuring consistency, fairness and inclusion in the recruitment, selection and the career development process.
2. To promote diversity by ensuring equal opportunity in the procurement of contractors, sub-contractors, assignees, lessees, agents, vendors and suppliers.
3. To create an open and welcome atmosphere at all of our properties where employees, guests and vendors feel comfortable and welcome.
4. To actively seek out minority and women and other historically under-represented groups to provide opportunities for them to bid on providing services and/or supplies.
5. To be a strong financial supporter of a diverse number of worthwhile community charities and non-profit organizations through our community giving program.

DIVERSITY IN THE WORKPLACE

The four primary areas of diversity effectiveness are awareness, fairness, inclusion and leverage. Greenwood Gaming & Entertainment, Inc. seeks to provide leadership in all of these areas of diversity and to encourage and support senior executives as they promote these goals in their areas of responsibility.

We encourage them to examine racial, ethnic, cultural, gender and age issues in both the local community and the workforce; to understand the importance and appreciation for people; examine stereotypes and prejudices and how they impact behavior and how to interact more effectively with people from all walks of life. We will also include examination of special needs, veterans and all historically under-represented groups.

The Human Resources and Legal departments will provide appropriate support and assistance but Greenwood Gaming and Entertainment, Inc. looks to all of its senior executives to incorporate diversity into their areas of responsibility within our workforce. Absolute impartiality is required when recruiting, selecting and orienting new hires. The same is expected when considering candidates for pay reviews, further training and promotions.

Recruitment

Greenwood Gaming and Entertainment, Inc., through its affiliated employer companies, is an Equal Opportunity Employer.

Our policy supports our company commitment to recruit, retain and develop a workforce that reflects both its local community and customer base. This policy contributes to a well-rounded workplace where differences are respected and appreciated. Our goal is to have the most appropriate and culturally diverse workgroup to foster creativity and develop our Team Members to reach their potential.

In addition to Greenwood Gaming and Entertainment's traditional ways of seeking new candidates, we will undertake the following outreach strategies:

1. Working with the African American Chamber of Commerce, the Hispanic Chamber of Greater Philadelphia, and the Asian American Chamber to create awareness of employment opportunities.
2. Developing close relationships with federal, state and local agencies and minority hiring programs to increase opportunities for minority applicants.
3. Regular monitoring by Human Resources to ensure that our diversity targets and benchmarks reflect our community. This includes tracking applicant flow by inserting a survey in the application process asking applicants to voluntarily indicate race/ethnic origin.
4. Cultivating historically black colleges and universities to make them aware of the many career opportunities in gaming.
5. Attending job fairs in Southeastern Pennsylvania, with an emphasis on those that target minorities and women.

We have hired a diversity assistant who will conduct diversity and inclusion orientation workshops. Our materials will be distributed in communities that will create a diverse group of applicants to choose from and to offer opportunity in areas where there may be a greater number of candidates seeking employment.

We will ensure that all employment literature is clear and understandable including:

We will continue to encourage our Team Members to embrace diversity; this begins with our formal orientation program and training when a new Team Member is hired.

Greenwood Gaming also encourages our Team Members, regardless of background, to pursue their goals through higher education by providing tuition assistance and by partnering with local colleges. Our Training program is developing into a strong area where we can encourage personal and professional growth.

We encourage our team members to use their vast knowledge and share their ideas to strengthen our sense of community within our organization.
