To whom it may concern:

I am writing to express my strong support for the renewal of PARX Casino's gaming license. As the President and CEO of the Central Bucks Chamber of Commerce in Doylestown, Pennsylvania, I have witnessed firsthand the positive impact this casino has had on our community.

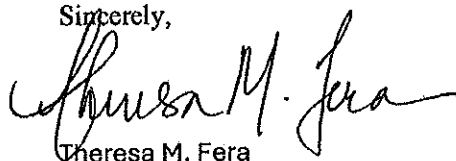

PARX has consistently demonstrated commitment to responsible gaming practices, community engagement, and economic development. The casino's adherence to regulatory standards ensures a safe and enjoyable environment for all patrons. Moreover, its active involvement in local charitable events and partnerships with community non-profit organizations has significantly contributed to the social well-being of our area.

The economic benefits provided by PARX are noteworthy. The establishment has created numerous job opportunities, both directly and indirectly, supporting local businesses and contributing to the economic vitality and growth of our region. The tax revenues generated have funded essential public services, enhancing the quality of life for all residents.

I have gotten to know and work with the leadership team at PARX and am confident that the renewal of their gaming license will continue to foster economic growth, community development, and responsible gaming within our area. I wholeheartedly endorse their application and respectfully urge the Pennsylvania Gaming Control Board to grant the renewal.

Thank you for considering my perspective.

Sincerely,

Theresa M. Fera
