Copies of the approved Consent Agreements for this matter containing additional details are available upon request through the Board’s Office of Communications.

The Board also today took actions to place 8 individuals on its various Involuntary Exclusion Lists. Placement on an Involuntary Exclusion List prohibits individuals from either gaming in a casino in Pennsylvania, via an online betting site regulated by the Board, or at a Video Gaming Terminal (“VGT”) location. These matters, presented by the Board’s Office of Chief Counsel and the OEC, set the number of individuals now on the Board’s various Involuntary Exclusion Lists to 1,463.

The Gaming Control Board is scheduled to meet next at 10:00 a.m. on Wednesday, June 17, 2026 in the Board’s Public Hearing Room located on the second floor of the Strawberry Square Complex in Harrisburg. More information, including the agenda, will be posted on the Board’s website prior to the meeting.
