RE: AGS - Casino War Tied Wager Odds

Dear Ms. Kelly:

On behalf of the Pennsylvania Gaming Control Board ("Board" or "PGCB"), I have reviewed your correspondence and waiver request dated April 4, 2024. AGS is seeking a waiver of 58 Pa. Code § 651a.10(3) (relating to payout odds for tied wagers) to allow operators for additional options for payout odds. Specifically, AGS asks that tied wagers may be paid at odds of 11 to 1 and 12 to 1, in addition to the 10 to 1 provided under § 651a.10(3).

Upon review, the requested additional tied wager payout odds do not negatively impact the integrity of gaming, as the proposed odds provide for a higher return-to-player ("RTP") percentages for players.

At this time, I approve the requested waiver, permitting tied Casino War wagers to be paid at odds of 10 to 1, 11 to 1, or 12 to 1. Operators will be required to declare, as part of their table games rule submission, which payout odds they are electing to use. Additionally, the operator's elected odds shall be available to players in the same location and manner as the other odds for the game Casino War.

The waiver issued pursuant to this letter shall expire at such time that regulations are adopted by the Board and published in the *Pennsylvania Bulletin*. If you have any questions, please contact Robert Wood, Assistant Chief Counsel, via email at [REDACTED].

Sincerely,

Kevin F. O'Toole
Executive Director
