EXECUTIVE DIRECTOR'S REPORT

Executive Director Kevin O'Toole stated his report by speaking on the opening of Happy Valley Casino located in State College and how this marks the 5th and final category 4 casino in Pennsylvania. He spoke on Act 47 of 2017, which was signed into law on October 30, 2017, stating the components of this act have contributed to sources of new revenue and gaming taxes for the Commonwealth.

Executive Director O'Toole stated that on Friday, July 17th the Board's Office of Communication reported that the figures during the Fiscal Year 2025/2026 gaming revenues and gaming taxes were significant, with the Board regulating just over \$7 billion for Fiscal Year 2025/2026. He continued by stating that out of that approximately \$3.1 billion was allocated to a variety of uses, such as some of the grants going towards local municipalities and counties, referred to as Local Share Assessments. He stated that \$17.2 million was awarded to Westmoreland County which would benefit the County's 65 municipalities and make it possible to renovate critical infrastructure, replace aging police vehicles, and purchase a new dump truck for the recreation department in Greensburg - just a few mentioned.

Executive Director O'Toole finished his report with an update on the Board's program that encourages iGaming patrons to use Self-Imposed Limits to help control their iGaming activity. He stated in May 2026, 6.01% of Pennsylvania account holders in iGaming took advantage of the self-imposed limits with over 708,000 registered PA accounts utilizing the program to help them moderate their gaming activity.
